39th INTERNATIONAL CONFERENCE ON SOLUTION CHEMISTRY

Co-organizers

IUPAC

📍 *Monastir, Tunisia*

📅 *mid September 2025*

39th
ICSC
TUNISIA

SELECTED TOPICS

- A. Solution thermodynamics
- B. Solution structure and dynamics
- C. Solubility phenomena
- D. Ionic liquids
- E. Polymers in Solution, Soft matter
- F. Computational solution chemistry
- G. Analytical Chemistry
- H. Electrolytes, Polyelectrolytes, Colloids and interfaces
- I. Coordination Chemistry
- J. Supra molecular chemistry
- K. Surface and Interfaces, Nano sensors
- L. Biochemical effects in solutions
- M. Supercritical fluids and solutions under extreme conditions
- N. Industrial applications of solutions
