Model T2E

Specifications

Dimensions: 11" x 11.8" x 10.25"
Weight: 51 lbs.
Stamp Diameter: Max of 2"
Opening Depth: 4.13"
Security Key: Comes Standard
Power Supply: 110V 60Hz
(Optional 220V 50Hz)
Color: Light Gray

The Model T2E Electric Embosser makes a raised impression by dry stamping all kinds of documents. For precise positioning of the print, the machine is equipped with a stop with adjustable brackets. Embossing is essential to secure official documents, photos, or to add a logo or other raised symbol on business cards, stationery, etc.

To operate, simply plug into an ordinary AC lighting circuit and insert paper into throat to emboss your paper.
