Make Epic Change Without the Battle

Katherine reveals her TABLE framework for an intentional and transparent approach to change, to shed the armor of battle and bring everyone to the table.

TESTIMONIALS

“Katherine is equal parts sage and scientist. I applied her framework the very next day after her talk.” - Nick T.

“Katherine breaks down the process with such clarity that it feels effortless.” - Erin R.

“Watching Katherine is like a master class. She helped us solidify our goals and tactics, so we’re finally making headway.” - Kelly J.

ABOUT

Often, leaders face change not of their choosing, prompting them to armor up for battle against unknown trials. Katherine has always led from the middle, shifting change from an intimidating battle into an opportunity for growth, connection, and innovation. She focuses her theater, nonprofit administration, and marketing and business development expertise inside the organization, to transform company culture from within.
