

Helping leaders

MAKE WORK LESS WORK

KATHERINE ROBINETTE

With more than 30 years of experience inside complex organizations — 20 years in AEC specifically — **Katherine Robinette, CPSM**, brings a rare blend of strategic insight, candor, and humor to the stage. She helps leaders see the problems that make the day-to-day hard and the strategic stuff just out of reach.

She's not afraid to call out the elephant in the room and tell you what to do with it. She's not interested in blaming, shaming, or flaming the situation, just on fixing what is causing friction.

Katherine makes work *less work*.
