**Fall Competition**

Let WA we won't Oct 10. Let Apex know we are still interested in late Oct, but we have flexibility. Also ask for an update on 75 minute sessions.

**WA Ice Fee**

Ice fee is now \$225.

**Honnen Pads**

Pads: Honnen wants more money that we are willing to pay since the pads are too firm and have limited usefulness.

Skates: We've asked for pictures of the skates so that we can see what they have and determine if the club is interested.

**Performance Ice Update**

**Season Fees**

WA regular ice will be 75 minute sessions.

WA performance ice will be 90 minute sessions.

Inquiring about 75 minute sessions at Apex.

Need to consider that ice fees at WA are going up.

Performance ice will be \$675 for the season. Lee Ann Williams' family has generously agreed to cover the shortage between what the performance ice costs and what we collect (projected to be \$4300).

Additional family members will be 1/3rds discount. Fees will be collected as a monthly payment (96/mo).

Regular ice will be \$450 for the season. Second family member is \$300.

Second sheet \$225/person.

Monthly fee is slightly higher. Martin will figure it out.

Registration fee \$60/household.

Membership \$30/person.

**Banner**

WA will make and install \$180. Approved.

Will find out if Apex will allow a banner.

Club t-shirt or swag

Will look at collections around Dec to see if we can afford to do that.

Meeting concludes: 8:05p
