Pioneers of Alaska

Greetings Pioneers!

This is your special invitation to join us in a fun & Covid safe Pioneer Event!

We are going to have a Pioneers of Alaska Auto Parade around the Hospital and Denali Center to show our Pioneer support & appreciation of our health care workers and the residents of the Denali Center.

Decorate your car, either before leaving home, or at the staging area and be ready to drive in the procession and make some noise to show we care. Pioneer themes, blue and gold, balloons, signs, streamers, Alaska Flags, snowshoes etc. What ever you can come up with will be great! You can even wave convention bags or Pioneer jackets!

There will be hospital staff lined up outside to see us drive by, and there will also be several residents from Denali Center outside to greet us as well. If that is not enough for you, the hospital has sent out a press release to the media, so you can be in the news!

Here is the map from the starting point that shows the route around the hospital.

After we finish the drive-by of those facilities, we will be driving back towards 1st Ave via Cowles St. to make some noise for the residents of Raven Landing, and then down 1st. Avenue, following the river, past the Carlson Center to the parking lot opposite the Moore St. Gate of Pioneer Park. There we will finish this fun parade with a tailgate event that is socially responsible.

Everyone is encouraged to bring their own chairs, snacks and beverages which we will enjoy together while keeping our distance from one another. We will share smiles, but not the refreshments. Bring your own and enjoy your own at a safe distance from everyone else.

Don't forget your masks!
