BONUS 01

Direct Sales Bonus

Earn 8% of the purchase value every time a personally referred member makes a package purchase. Settlements run weekly every Friday.

Base Rate: 8% on each referred purchase · **Booster:** Eligible leaders may earn up to **10%** based on performance

BONUS 02

Binary Bonus

The binary system organizes your network into two legs — Left and Right. Each week, Gulf-El calculates the volume on both legs and pays on the **weaker leg volume**.

RATE

8%

of weaker leg weekly volume

CARRYOVER RULE
