## TOTO NEOREST® TECHNOLOGIES

For greater performance and hygiene in the bathroom.

1G

1 GALLON

Flushes the bowl  
with an ultra-efficient  
one gallon of water.

TORNADO FLUSH™

TORNADO FLUSH™

360 degree cleaning  
power reaches every spot  
using less water.

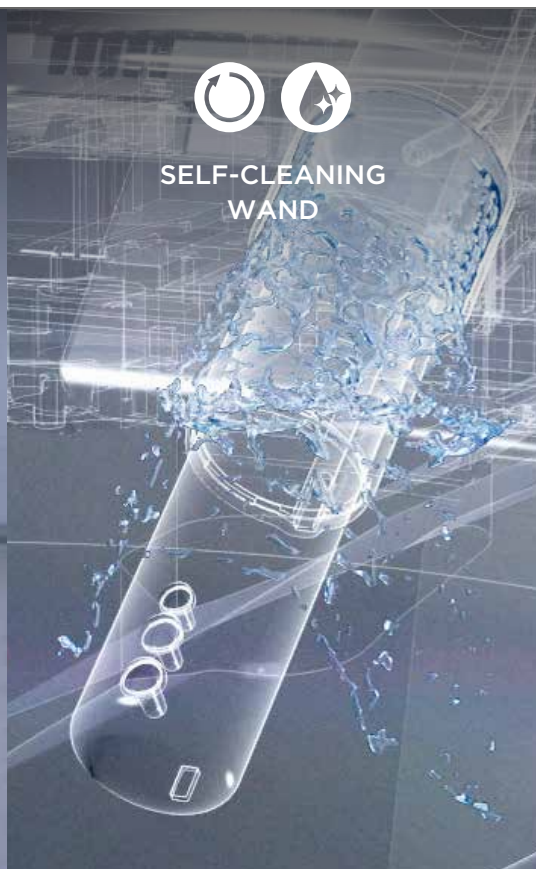

CeFiONtect™

CeFiONtect™

Ultra-smooth ceramic  
leaves nowhere for  
waste to cling.

Electrolyzed water  
removes waste, even  
particles you can't see.

Hygienic conditions inside  
and out for peace of mind.

Auto open/close lid  
Heated seat  
Dryer  
Deodorizer

# washlet.

## CLEANSING FUNCTIONS

With the touch of a button, a wand extends from under the seat for soothing warm-water cleansing.

The precise, pleasant,  
air rich stream **keeps you clean.**  
And it's always pleasingly warm.

### REAR SPRAY

The rear spray is designed to clean the rear intimate area. It features pleasant, yet strong water pressure to target this specific area.

### REAR SOFT SPRAY

It has a larger radius to cover more area. Lower water pressure makes for a soft, comfortable spray.

### FRONT SPRAY

The front wash consists of large, soft drops for comfortable intimate cleansing – for a clean, fresh feeling.

### WIDE FRONT SPRAY

It has a larger radius to cover more area. Lower water pressure makes for a soft, comfortable spray.

## NEOREST® FEATURES

### SOFTCLOSE® LID

The SoftClose lid automatically closes gently to eliminate seat slamming.

### HEATED SEAT

The contoured seat has five temperature settings for maximum comfort.

### SELF-CLEANING WAND

The self-cleaning function cleans the entire wand with eWater+ before and after each use.

### EWATER+®

After each use, eWater+ sprays the bowl with electrolyzed water, reducing the need for harsh cleaning chemicals.

### PREMIST

Using the incoming water supply, a pre-mist wets the toilet bowl surface aiding in the elimination of waste approximately 80 percent better than a dry bowl.

### DRYER

Enjoy the ease and comfort of drying with the temperature-adjustable warm-air dryer.

### AUTOMATIC DEODORIZER

The deodorizer cleans the air around the toilet using powerful filters. Air is drawn in, passing through an ionized carbon filter to eliminate unpleasant odors.

## NEOREST® AC™

delivers the peak of TOTO innovation  
in an ultra-sleek wall-hung design.

ICON GUIDE

# TECHNOLOGY ICON GUIDE

**Actilight®**

UV light combined with a special glaze breaks down dirt and grime in the toilet bowl.

**ewater+®**

After each flush, TOTO's eWater+® mists the bowl with electrolyzed water, reducing the need for harsh cleaning chemicals.

**1.0 GPF**

1G toilets use a gallon of water to provide the most efficient flush in the industry.

**TORNADO FLUSH™**

Tornado Flush features a state-of-the-art, hole-free rim design that offers dual-nozzle bowl cleansing, creating a centrifugal rinsing action that cleans the bowl more efficiently.

**DUAL-MAX®**

Dual-Max indicates a dual flushing system that optimizes conservation by allowing you to select preferred flush volume.

**CeFiONtect™**

CeFiONtect glaze prevents visible and invisible waste from sticking to ceramic surfaces, leading to the use of less chemicals and water to clean.

**washLET.**

An individually adjustable wand system with self-cleaning function.

**AUTO FUNCTIONS**

Indicates a product featuring an integrated, automatic, sensor activated function.

**ADA**

Product complies with Americans with Disabilities Act accessibility guidelines.

**UNIVERSAL HEIGHT**

Universal Height indicates toilets that allow for a more comfortable position across a wide range of users.

**SKIRTED DESIGN**

The trapway is concealed by smooth porcelain, making the toilet easier to clean.

**WATERSENSE**

Products that meet the EPA standards for water efficiency and performance criteria. Toilets are 1.28 GPF or less, faucets are 1.5 GPM, and showers are 2.0 GPM.

**CALGreen**

Meets California Energy Commission Requirements - Effective 2016

Meets CalGreen Water Regulations for new construction and permitted remodel.
