

The Outlaw Skydiver's Charity Calendar Submission Guidelines

In late 2021, The Outlaws will offer for sale the Outlaw Skydiver's Charity Calendar for 2022. I'm soliciting the photos to be considered and used in the final calendar from anyone in the worldwide skydiving community. You don't have to be a Registered Outlaw to submit photos, and you may submit photos to be considered for the calendar at anytime up until the end of June 2021. Both the final calendar photos and the receiving charity will be voted on by my subscribers. Here are the submission guidelines. Please read them carefully.

- I'm looking for two things: The most unusual old school skydiving photos and the best old school nude skydiving pictures.

For any photo submitted, please send me a back story. In other words, tell me the who, what, when and where of the photo.

For a photo to be considered "unusual," it must be just that. Defining "unusual" is difficult, so send me what you think is unusual and I'll decide from there.

- Nude photos **MUST NOT BE PORN!** If a photo even *appears* to be porn, it will not be shown or used. Just to be clear, any

photo that shows a sexual act of any kind will be not considered.

Full nudity is allowed. No photo of anyone under the age of 18 at the time the photo was taken will be used. If there is any question of that, you will be contacted.

- Photos must have something to do with **old school** parachuting and the meaning and time period should fit the theme of the calendar. I will be the full judge of that.
- Voting for the photos and the charity that will benefit will take place on my website during July 2021 and will be open to my subscribers only. Subscribing is free and your info is never shared. Sign up on my website.
- The photos submitted and selected for consideration will be posted on my website as they are chosen. I will notify everyone by email and social media as they are posted.
- If you took the photo, say so in your email, and *expressly give me permission* to use the photo. If the photo is not your photo, I will follow all applicable copyright laws when possible.
- Please send photos in .jpeg formats only!

All submitters will receive a free Outlaw decal or patch, but only if you send me a mailing address with your submission and please tell me if you wish a patch or a decal. You may submit as many photos as you wish. *One decal or patch per entrant.*

These guidelines and rules are subject to change at any time.

Please use my email address (bottom of page) for all submissions and communications regarding the calendar.

HAPPY 2021! LET'S HAVE SOME FUN!
