GLOBAL 6K FOR WATER®

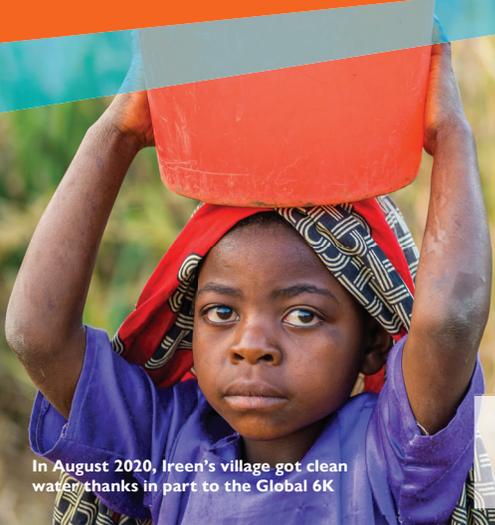

WHY 6K? It's the average distance people in the developing world walk for water every day.

Every registration fee provides clean water for one person in need through World Vision's water projects. When you and thousands of others cross the finish line, you'll be changing the lives of women and children by helping to free them from a life spent collecting dirty water.

DATE & TIME	Saturday, May 22, 2021 @ 8:30am
