About K9s For Warriors

K9s For Warriors is the nation's largest provider of service dogs to military veterans suffering from Post-Traumatic Stress Disorder (PTSD), Traumatic Brain Injury (TBI), and/or Military Sexual Trauma (MST) as a result of military service post-9/11. The service dog program is unique and offers an innovative approach to recovering from the invisible wounds of war. Two lives are transformed with each pairing. The veteran reduces his/her risk of suicide while the rescue dog receives a newfound purpose.
