

THE BETOHI of 1940

Published by the

SENIOR CLASS

of Bement Township High School

FOREWORD

During the past four years, we have made exposures in life's studio of learning some of which developed into only blurred impressions, but most of which resulted in clear ideas that we will keep in our albums of knowledge. In this book, with the help of our good friend, Beto, and his camera, we are presenting to you some of the highlights of our last year at Betohi. We have focused the lens upon all phases of school life, both academic and social.

We believe the bits of high school life we have portrayed in this book will become cherished memories to those who glance upon its pages.

DEDICATION

Mr. Slusser, in his thirteen years of service at Bement Township High School and in this community, has built an institution of knowledge which rates among the highest. B. T. H. S. stands as a cultural monument to his success. For his fine dynamic leadership and his never-failing readiness to help us through the four years of our high school life, we wish to pay him tribute.

SENIOR CLASS HISTORY

In the year nineteen hundred thirty-six, a line of fifty-eight meek and bashful students entered the portals of B. T. H. S. We elected James Raglan, president; George Loudenback, vice-president, and Scotty Wilkinson, secretary and treasurer.

As sophomores, we elected the following officers: Scotty Wilkinson, president; Barney Slevin, vice-president, and Warren Hendrix, secretary and treasurer.

During our junior year we gave a class play, "Oh Susan." In return for a party given by the seniors, we gave them a Carnival Banquet. This year our class officers were Bud Warner, president; Marie Hampton, vice-president, and James Raglan, secretary and treasurer.

At last we reached the summit. Our activities were directed by Barney Slevin, president; Ralph Rose, vice-president, and Mary Belle Lefever, secretary and treasurer. We also presented another play this year. We enjoyed the usual parties and banquet.

Our class was well represented all four years in the various school activities—sports, music, clubs, dramatics, and social affairs.

Second Row: Petersen, Clar-ice Lieb, Clara Lieb, Forcum, Appelt, Shepherd, Kitson, Camp, Adams, Ryan, Curfman.

Third Row: Fleming, Wright, Morgan, Evans, Lux, M. Lamb, Gallivan, Probus, Ard. Fourth Row: Fay, Wallace, Silver, Hendrix, Warren. Fifth Row: Foran, Schuh, Romack, Clark, Larimore.

Upon entering high school, not being familiar with high school routine, we were vigorously "ha-ha'd" for several weeks until we became accustomed to the procedure. We elected Herb Schuh, president; Bill Hendrix, vice-president; Barbara Camp, secretary, and Bob Scott, member of athletic board of control.

In '38, we entered our Sophomore year with much more confidence. The officers elected were: Earl Poundstone, president; Fred Evans, vice-president; Paul Morgan, secretary, and Wilmer Foran, athletic board of control member.

Resolving to accomplish something better, we entered school as juniors in '39. As officers, the class elected Mildred Marker, president; Earl Poundstone, vice-president; Evelyn Lamkin, secretary, and Bob Scott, athletic board of control member.

The Junior Class was proud to have many participants in football, basketball, and band.

Our class presented the Junior Class play, "Sunbonnet Jane of Sycamore Lane," on November 14. We worked very hard preparing it and were awarded for our efforts by having a record crowd.

The juniors, at the request of the seniors, attended the ghost-haunted cornfield arranged in the gym on Halloween.

Later in the year, the juniors were hosts and hostesses at the annual Junior-Senior Banquet. The scheme displayed the romanticism of the regular Hawaiian beach.

... SOPHOMORES

When we first entered B. T. H. S. in the fall of '38, we considered ourselves sophisticated, but soon we found that our upper classmen thought we were just like all other freshmen, "green." After we had missed a few classes, we settled down and began to feel at home. We selected as our class officers the following: Bob Loudenback, president; Mary Morgan, vice-president; Nadine McKee, secretary; Bob Burgess, athletic board of control member. We had several parties including a wiener roast.

At the beginning of our second year we began to realize how much we had advanced since the previous year. We had class elections and as our officers we elected: Nadine McKee, president; Jack Funk, vice-president; Eleanor Ann Lefever, secretary; Bob Burgess, athletic board of control member.

Our class was well represented in sports. Rosy Boyd helped manage the football team, and made his share of baskets in basketball. Bob Burgess made himself known by his touchdowns in football. Bob Loudenback played both basketball and football. We chose as our Homecoming Queen, Mary Foran. We worked faithfully on our float but were not able to win first prize as we did in our freshman year.

Our class was represented among the cheer leaders by Nadine McKee and Margaret Slevin.

In our first two years of high school we have enjoyed ourselves, and we hope we have contributed our part toward keeping B. T. H. S. the school we are proud of.

Foran, Shirley, Loomis, Gulliford. In the fall of 1939 the Bement Township High School marked a turning point in the lives of forty-eight boys and girls who were enrolled as freshmen. At first there was some difficulty in getting to the right class room at the right time, but, proving ourselves an unusually intelligent group, we soon overcame these troubles and could no longer be distinguished from our upper classmen.

An example of our superior intelligence was revealed in the election of our class officers who were as follows: Betty Proctor, president; Lois Auth, vice-president; Billy Brown, secretary-treasurer; Paul Taylor, member of the athletic board of control.

Our first gathering, outside of regular classes, was a wiener roast, held at the Forest Preserve Park. Later we enjoyed a party at the school building.

With the help of Miss Swaim and Mr. Laird we labored long on our homecoming float, which proved a great success, and, as a satisfactory result, was awarded first prize. We elected Edna Raglan as our candidate for homecoming queen and were very proud when she was crowned.

The members of the freshman class were also prominent in the various athletic and musical activities of the school.

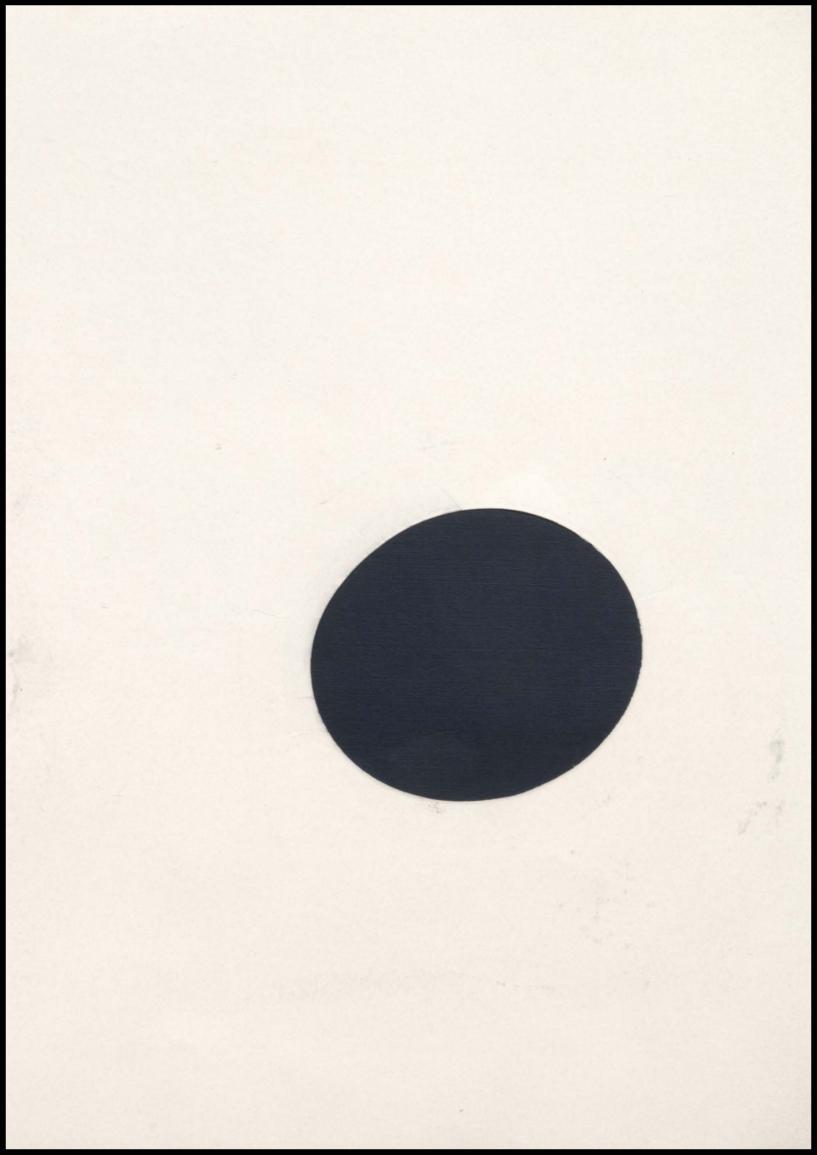

As the years pass and our knowledge is increased, we expect to show the Bement Township High School just how much talent, good sense, and good luck entered into the school with the freshmen of 1939.

ANNUAL STAFF ...

First Row: Warner, Conlin, Driskill, Redman, Hendrix, Morgan.

Second Row: Brandenburg, Winzenburger, Lux, Doty, and Bruce,

Standing: Raglan, Houston, Koepping, Rose, Ray, Loudenback. The Annual Staff held its meetings every Thursday at 4 o'clock. Let's look through the camera lens at one of their past meetings. We find everything very informal and pleasant, and it resembles a photographer's studio.

In the studio we find the head photographer (or editor), Jimmy Raglan, who supervises the work with the aid of his assistant, Margaret Winzenburger. At this time they are helping the class reporters, Ethel Fuqua, Bill Hendrix, Ruby Fuqua, and Mary Redman, arrange their work just as you arrange the setting for a picture.

The club reporters, Dorothy Bruce and Robert Driskill, are showing the typists, Mary Brandenburg and Bud Warner, how to arrange their material, while Betty Doty and Fred Lux are catching every detail to put into their feature section.

The sports writers, George Loudenback and Charles Ray, are like photographers ready to snap pictures. When they begin to work, nothing bothers them.

Mary Conlin and Ralph Rose have just sold another annual. They are trying their best, also.

It is now 5 o'clock, so everything is put away, and everyone is laughing and joking as they leave the building.

... NEWS STAFF

On any Tuesday morning during the year, you could hear the clicking of the typewriter in the English room. If you were to have gone in, you would find them preparing their weekly newspaper which was printed in a section of the Bement Register.

Everyone was supposed to be at the meeting by 8:15. Naturally, a few were always a little late, getting personals or finding out the score of the game we had won the night before.

The material had to be completed by 9 o'clock. This included writing the articles and checking through them for errors of any kind. After this was completed, the adviser, Miss Houston, the editor of the paper, or her assistant checked it through for sentence construction and misspelled words. Then if everything was perfect, the words were counted to be sure that all of the alloted space in the paper was filled. At the end of the third hour the business manager took the material to the Register office, and at 4 o'clock the other business manager and the editor went up to proof-read.

Although their work wasn't easy, the members of the staff were well rewarded by the joy they derived from seeing their articles in print.

A CAPELLA CHOIR ...

The A Capella Choir of B. T. H. S. is made up of thirtyseven students from all four classes of our school. This chorus is to instruct those students who desire vocal training and also to entertain and to represent our school in the choral contests. The chorus has regular rehearsals on Thursday and Friday mornings at 8:15. The students receive one-fourth credit per year for this course. The chorus assists in presenting a Band-Chorus concert every year. They entered the District Chorus Contest at Bement on March 23 and received a first division rating, thus winning the right to compete in the State contest at the University of Illinois on April 19-20. The voices of the chorus are seven first sopranos, four second sopranos, six first altos, five second altos, three first tenors, three second tenors, four first basses, and five second basses.

VOCAL SOLO

Mary Conlin entered the District Solo contest in Monticello on March 9. She sang "Dream" by Bartlett, and received a second division rating.

BEMENT HOST TO CONTESTANTS

The District Band and Chorus contest on March 23 was transferred from Monticello to Bement because of a severe epidemic of measles and mumps in Monticello. This contest was a big event for Bement with twenty-two hundred high school students being entered in the contest. The contests were held in the Methodist and Presbyterian churches and the grade and high schools.

... GIRLS CHORUS

The Girls' Chorus is made up of twenty-eight members of all the classes of the school. These girls have two rehearsals a week, held the fifth period on Tuesdays and Thursdays. The voices of the chorus are sixteen sopranos and twelve altos. This class is entirely for the instruction of those girls who desire it. They do not enter in choral contests but receive credit for the year's work. Some of the songs the girls sing are "Sylvia" by Oley Speaks; "Oh Sweet Mystery of Life" by Victor Herbert; "Lullaby" by Brahms, and "By the Waters of Minnetonka," Lieurance.

SPECIAL CHRISTMAS PROGRAM

Just before the school was dismissed for the holidays, the student body was entertained by a Christmas program presented by a group of students. "The Gift Magnificent," a song and story service by Dorothy Schman Sumereau, was presented on Friday aftrenoon, December 22. Helen Sebens did the reading parts and a special chorus was picked from the contest chorus to do the singing parts. The chorus was attired in white robes and carried white burning candles in keeping with the holiday spirit. The chorus was joined by the entire student body and teachers in the singing of several Christmas Carols after the service. Those in the chorus were: Sopranos, E. A. Lefever, Barb Camp, Virginia Lux; altos, M. Winzenburger, M. Funk, Peg. Moery; tenors, R. Driskill, B. Fleming, Earl Medaris; basses, S. Wilkinson, J. Raglan, Robt. The marching band supplies music at the football games, the basketball band at the basketball games, and the concert band gives a concert and plays at the band contest. The band goes attired in purple and white uniforms and presents a very striking appearance. The former records of the B. T. H. S. bands have been very impressive. Motto: Our club must grow and glow and go And we must help to make it so.

The Home Economics club began its regular meetings in September with the officers mentioned above presiding. Their meetings were held on the second Wednesday of each month. At each of these meetings, one of the members would lead a discussion on some topic of mutual interest.

Initiation, of course, was soon celebrated. The freshmen who were initiated did everything from smelling rotten eggs to doing imitations of circus people. After the ridiculous fun, a formal candlelight service was held, and the girls were told the aims and ideals of the club.

At Christmas time the Home Economics girls and the Ag boys had a "Get Together" party, and each group contributed half of the expenses.

In came the new year which was Leap Year. Since this comes only once every four years, the girls decided to celebrate in a big way, so they had a Leap Year party to which each girl invited a boy. The evening was spent in playing games and dancing.

The girls closed their club season with an April Fools' party for the mothers.

The Future Farmers of America is a national organization of farm boys studying vocational agriculture in the public schools throughout the United States. In 1939 there were 200,000 members in 6,000 vocational agriculture departments throughout the United States, Hawaii, and Puerto Rico. The purpose of the organization is to develop competent, aggressive, rural, and agricultural leadership. In order to do this the boys are encouraged to assume responsibilities and learn to express themselves before a group. All meetings are conducted with a strict observance of parliamentary procedure.

The local chapter fosters better projects, promotes scholarships, and provides for recreation in the way of organized games. It stimulates an interest in judging contests, father and son banquets, and other things of interest to farm boys. Among these activities is an annual party with the Home Economics department.

The F. F. A. department in Bement is composed of fortyfour members from all four classes of high school. The officers in the local organization are Harley Day, president; George Loudenback, vice-president; Charles Ray, secretary; William Hendrix, treasurer; and Rolla Van Matre, club reporter. This club has been active in B. T. H. S. for nine years. The emblem of the club is neatly engraved upon a small bronze pin. Most of the members wear these pins to signify their membership in the Future Farmers of America.

The Latin club was organized at the beginning of the second semester, and the members held their first meeting on December 18. At this meeting, the officers were elected, dues were set at fifteen cents a semester, and it was agreed that they would hold their meetings from 8:15 to 9:00 o'clock the first and third Mondays of the month. There were twenty-three members belonging to this club.

The meetings were divided into three parts which were: businss, discussion, and games.

A new topic and leader was chosen for each meeting, so that as many members as possible could lead one of the discussions. The subjects that were chosen were ones which were very educational as well as interesting to the Latin students. Some of the topics which they discussed at their meetings were "Gods and Goddesses," "Roman Burial and Funeral Services" and "Roman Families."

At the end of the meetings, one of the members would lead the group in different games. In all the games played, the members had to use many Latin words. This was very interesting to them. and also helped them considerably in their Latin classes.

Peppy! That's the word for the G. A. A. of B. T. H. S. On September 12, thirty-four athletically-minded girls held their first meeting. During that month the girls had a wiener roast. That was the picnic where Miss Ponder and Miss Ecklund imitated Louis and Pasteur. Later in the year, the freshmen were initiated into the organization with a kid party. Some girls even went so far as to have braids and imitation freckles.

Another great event was the week at Camp Kiwanis where Miss Ponder learned just how much some of her girls knew about the preparation of food. The week-end was spent in hiking, swimming, tennis, and eating.

The girls have participated in many activities such as basketball, volleyball, picnics, soccer, baseball, stunt nights, and play days sponsored by the G. A. A. organizations of other towns. From these they have developed such traits as cooperation, quick thinking, and self-confidence. Candy selling was their money-making scheme.

On the whole, everyone is for the G. A. A.

The cast was as follows: Howard Brant, a senior at Brookfield college, Jimmy Raglan; Vic Lewis, an art student, Charles Ray; Anne Purcell, Howard's heart interest, Margaret Winzenburger; Vivian George, Vic's heart interest, Dorothy Bruce; Ed Burns, a chemistry student, Billy Proctor; Lou Herron, a journalism student, Betty Doty; Mrs. Spangler, the landlady, Mary Redman; Dr. Dixon, presi-dent of Brookfield college, George Loudenback; Maude Corey, Howard's spinster aunt from California, Marjorie Bogue; Professor Virgil Bean, of the Zoology department, Scotty Wilkinson; Phoebe Purcell, Anne's mother, Mary Belle Lefever; Henry Purcell, Anne's father, Warren Hendrix.

HI TRI

The girls of B. T. H. S. were initiated into the State Hi Tri League this year. The ceremony, which was very beautiful, was performed in the gymnasium by the Sullivan Hi Tri girls.

All of the girls belonged to the same club, but they divided into smaller groups for their discussion periods. These periods were held every Wednesday during the school day, so that all the girls could attend. A different leader was chosen to lead each meeting which was conducted as a roundtable discussion.

The ideals which the league stands for are fair play, courtesy, kindness, loyalty. consideration. sportsmanship, friendliness, and truthfulness.

The girls have enjoyed these meetings immensely, and are very grateful to their teachers for helping with them.

JUNIOR CLASS PLAY

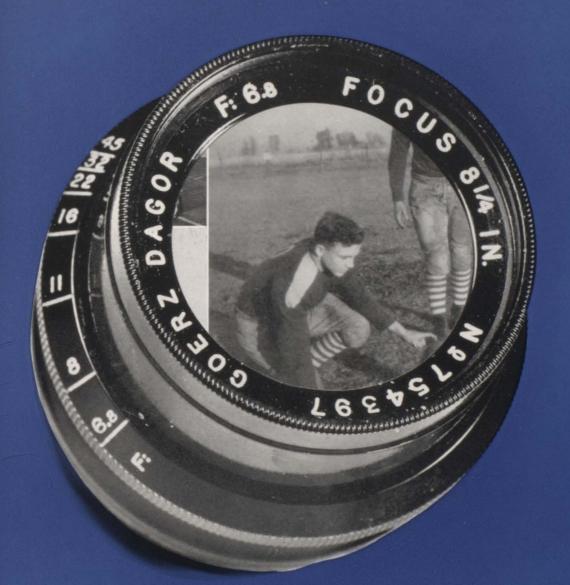

The Junior class of 1940 presented on November 1, 1939, the three-act comedy, "Sunbonnet Jane of Sycamore Lane." The action of the play is centered on the young and fun-loving heroine, Jane Jasper. The setting is on a farm in Indiana. BOYS DISCUSSION GROUP

...

The boys of the high school have also formed a club for the purpose of carrying on discussions on various problems which are not covered in our regular class room subjects. The boys are divided into four groups: seniors, juniors, sophomores and freshmen. These groups meet one period a week with their class advisers and discuss those problems which are considered most important by the members of the group. Each discussion group has a program committee and a chairman. The chairmen of the groups were as follows: seniors, George Loudenback; juniors, Bill Silver; sophomores, Robert Loudenback; freshmen, Richard Knapp. These chairmen conduct the meetings according to parliamentary law and direct discussion on the subjects selected by the program committee.

FOOTBALL

Front Row: Slevin, Burgess, Clark, Schuh, Silver, Fisher, B. Foran, B. Boyd, Van Matre, Hendrix, Loudenback. Second Row: Laird, Ray, Poundstone. Scott, Reeves, Wallace, H. Moore, Still, Rag-lan, Rose, Gallivan, Wright, Koepping. Koepping.

Third Row: H. Boyd, Lut-trell, Taylor, Camden, Weber, Eckstein, M. Warren, R. War-ren, A. Moore, W. Foran, Wig-gins, Gulliford, Proctor.

Coach Ernest Koepping, with our capable new assistant, Ray A. Laird, developed the best football team Bement has had in the past three seasons.

Playing an eight-game schedule, the purple won three, tied three, and lost two.

The season opened September 23 at St. Theresa. The purple battled hard and won 6 to 0.

The following week, September 29, Bement journeyed to Arcola and lost their first conference game, 18 to 0.

The Bulldogs battled to a 0 to 0 tie with Atwood in our annual homecoming game October 12.

On October 20, the purple lost a hard fought game to Sullivan 6 to 0.

Coach Koepping's boys pulled a mild upset November 2 by defeating a favored Newman eleven, 7 to 6.

November 10 found the Bulldogs battling to another 0 to 0 tie with the Bronchos.

The annual turkey day game at Monticello, November 23, was turned from what the sages thought would be a push-over into a sparkling victory for the Purple and White to the tune of 13 to 7.

FOOTBALL BANQUET

On November 28, two hundred football fans gathered in the high school gym to pay tribute to Coach Koepping and his hungry Bulldogs. "Fuzzy" Suthard, athletic director of Millikin university, was the principal speaker.

Page Thirty-two

... BASKETBALL

On November 28 the squad began practice. After two weeks of hard work, the Bulldogs opened the season with a blood-warming victory over Arthur. Following two easy victories over Villa Grove and Deland, the Purple lost a one-point decision to Atwood. A temporary let-down followed and the Bulldogs lost their next three games. A victory over Mansfield broke the jinx and the Purple were off on a four-game winning streak. Lovington, Hammond, and Tuscola's powerful quintets fell before the Bulldog's mighty pace. On February 6, following the Okaw Valley tournament, Cerro Gordo's Bronchos defeated the local five for the third time in as many starts.

The following Friday the Bulldogs smashed a cocky Monticello five before losing another close contest to Atwood. In the last scheduled game of the season the Purple easily rolled over Oakland and they were all set to make their glorious bid in the Decatur regional.

TOURNAMENT PLAY

A determined Bement five took the floor in the Decatur Regional and won their first contest by scoring 57 points and completely humiliating a confident Mt. Auburn outfit. In their second contest the Bulldogs fought a huge Decatur five to a standstill for three quarters but went staggering into heroic defeat when they were unable to withstand a Decatur uprising in the last three minutes.

First Row: H. Boyd, Silver, Day, Slevin, Fisher, Proctor, Scott.

Second Row: Koepping, Gallivan, Loudenback, Still, L. Boyd, Clark, Laird.

Third Row: Rose, Taylor, Shumard, Ray, Gulliford, Wilkinson.

BETOHI'S VARSITY BASKETBALL SQUAD

Of the some forty boys who were out on both basketball squads, the following ten carried the burden of the varsity games.

BARNEY SLEVIN, senior—Sparkplug of the Bement team. Was noted for his clever dribbling, deceptive passing, and accurate shooting. Barney, proclaimed by many as one of Central Illinois' outstanding players, was by far the Okaw's most brilliant. He was Bement's leading scorer and second high in the Okaw.

"BUSS" BOYD, senior—"Buss" was a good floor man and a very capable defensive player. He was an excellent rebounder and probably the calmest player on the team.

"KENNY" FISHER, senior—When he was "hot" he was a dangerous long range shot. "Kenny" also was an asset to the offense and defense because of his rebounding ability.

ROBERT STILL, senior—After overcoming an attack of "fumble-itis" Bob came into his own in the latter part of the season to turn in some excellent jobs at center.

ROBERT SCOTT, junior—Bob was a clever ball handler and dribbler who was wiry enough to slip away from his man. He was an experienced player, consistent scorer, and second highest on the squad.

ROBERT LOUDENBACK, sophomore—Although only a sophomore, "Bob" was the tallest boy on the squad and played enough to earn his letter. Because of his size he was able to "rough" it up and should prove valuable to the team next season.

BILL SILVER, junior—Although not a regular, Bill was clever and fast enough to earn a berth on the squad. We are sorry that Bill will not be here next year. We wish him well in his next school.

BILL PROCTOR, senior—The shortest man on the squad had enough offensive and defensive ability to be relied on as a substitute.

HARLEY DAY, senior—He had enough grit and competitive spirit to play with the first ten. "H" fooled many a player with his left-handed technique.

HAROLD BOYD, sophomore—"Rosy" was quick as a flash and an accurate shot who will come in handy next season.

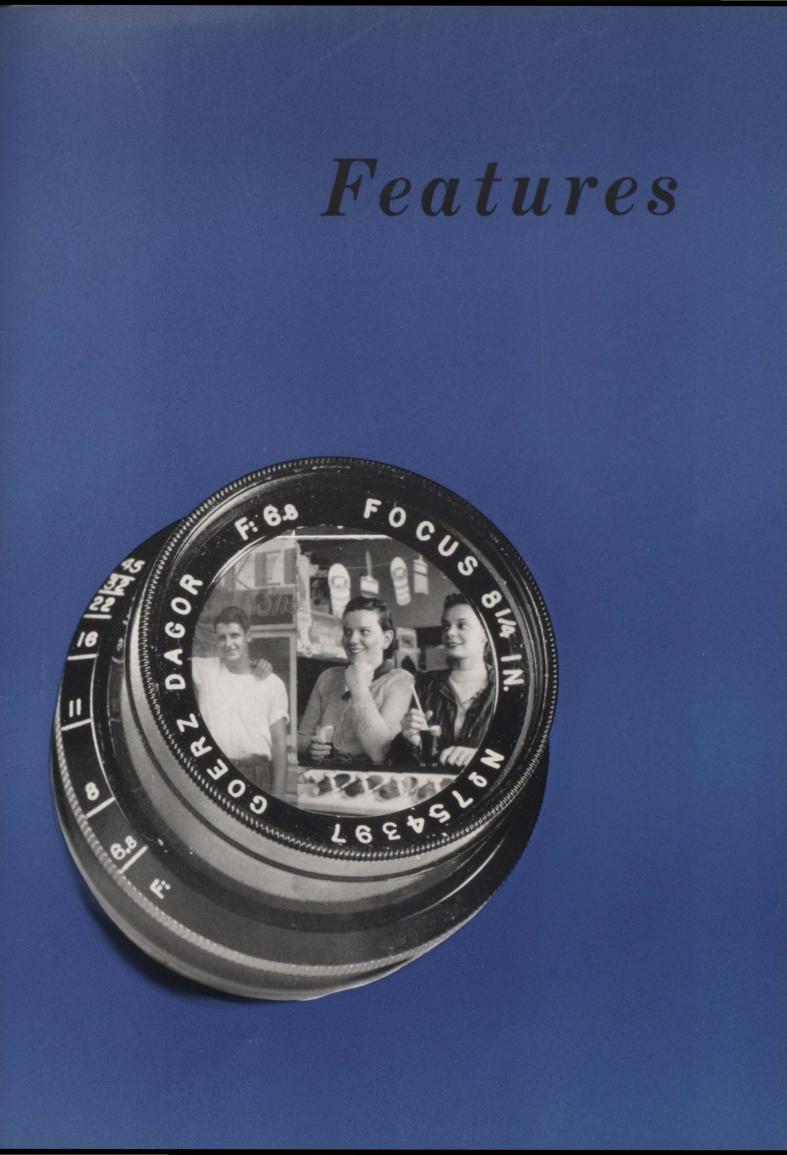

TRACK

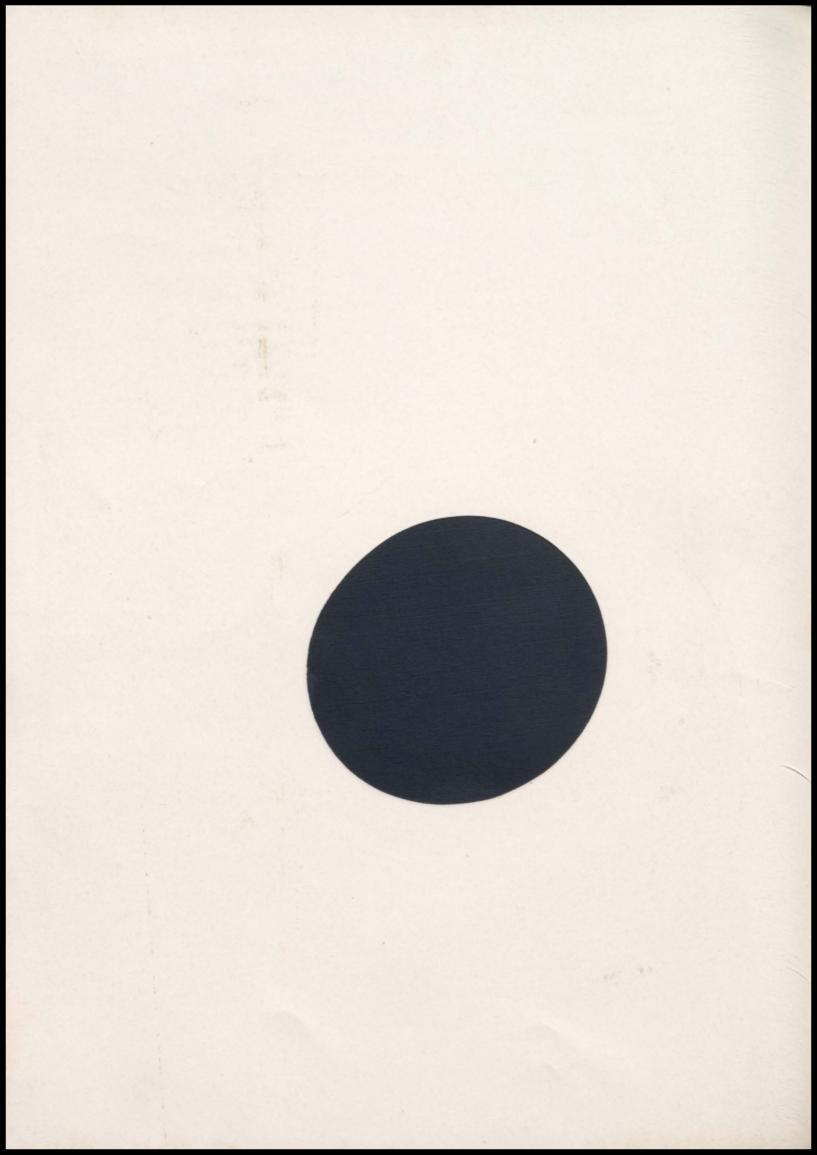

The first practice of the 1940 track season began March 15. Evidently some interest has been created among the boys because twenty-three candidates reported. This interest should bring some interesting results. Several meets were participated in. The team was composed chiefly of underclassmen; therefore we could not expect too much this year. But in the future these boys should put Bement among the leaders in the Okaw's spring sport.

MANAGERS

Although the "bally-hoo" goes to the players, let's not forget the boys behind the scenes who do all the dirty work. They are the victims of the team's reactions after defeat and of their high spirits after victory. It takes a lot of grit to be a manager, and Bill Proctor and "Rosy" Boyd had enough of it to stick with the football team, while Scotty Wilkinson and Ralph Rose took over the managership of the basketball team. Good work, boys, you really did a swell job.

POEMS

"Away back when"—in the third grade to be exact—the thoughts of some of our seniors turned to poetry. Even though the spelling isn't the same as we use today, no doubt here is evidence of genuine talent blossoming at an early age. We are expecting great things from the class of '40.

I like hie up the trees to climb,

To drive horses 2 or 3 at a time,

To play baseball,

7 or 8 games at a time.

by Robert Driskill.

MY PET CALF My pet calf is black and white, He plays all night, With all his might She has two mates, With whom she has dates My pet's mother is red and white, And I love her with all my might. by Billy Proctor.
