CHAMPIONSHIPS, NEW BUILDING,

Like most years, this year has been filled with many of the "same ol' things," but a few special memories, unique to 1979, will be set in the minds of BHS students.

1979 brought about the first LOVC Football Championship for the Bulldogs since 1939. Coach Jim Hays completed his first year of coaching with a 7-0 conference record and advanced the

NEW STUDENTS TIE YEAR TOGETHER

team to the IHSA state playoffs.

The football season was highlighted when Steve Swaim crowned Jody Williams as the 1979 Home-

coming Queen.

Coach Missy Stone led the volleyball team to its third consecutive undefeated conference title. Both teams were fully supported by the students and the

community.

Because of the 1978 referendum, BHS now has a new agriculture and industrial arts building. It was completed in the spring and will benefit the students in the coming years.

BHS saw many new faces this year including Gitte R. Madsen who was an exchange student from Denmark. She was an honorary graduate of the Senior Class, and was hosted by the Richard Thomas family.

As new faces come, familiar faces go. After 25 years of teaching foreign language at Bement, Mrs. Virginia Dare retired. Her dedication and fine teaching skills will be remembered and missed by students and faculty alike.

STUDENTS BUCKLE DOWN AND LOOSEN UP

School was not always a time for hard work; it was also a time for fun, for relaxing, and for being with friends.

Although, sometimes having too much fun can get you into trouble, even the faculty and administration show their sense of humor with the students. The combination of work and fun makes school enjoyable.

HAPPY FACES

Despite the hard work and pressures of school, students and faculty still manage to keep smiling. They are happy if they're working in concession stands, building

floats, taking PE, or just studying in study hall. Smiles can depict your personality along

with the clothes you wear right down to your shoes. We chose the theme, Shoes, because we think that the different shoes people wear can reveal their personality. Shoes aren't

just for comfort, or even looks, your shoes, like your smile, can become a vital part of your character.

FACULTY

THERE IS NO SHOE LIKE AN OLD SHOE

Orthopedics: As orthopedics help soothe your feet, the faculty and administration help comfort the students as educators and friends.

The close relationship between the students and the faculty makes school a comfortable as an old shoe.

EXECUTIVES KEEP THINGS "BUCKLED" DOWN

During the past year our administration has made some important changes. The school board spent many hours selecting a new superintendent for the district. They adopted new school policies; and the Agricultural and Industrial Arts Building was begun. The weather extremes posed problems for all the administrators—including school cancellation decisions and rescheduling sports events.

Superintendent Thomas Kelley makes one of his many phone calls.

Baby shoes. Like your first pair of shoes, your years in high school are the most painful. Getting used to high school is like breaking in a new pair of shoes. But as time goes on, it becomes more com-

fortable. Your beginning in high school, as your first few steps, can be one of your most memorable of learning experiences.

Loafers. They're so comfortable. Especially when they are old and worn. But, we have to, somewhere along the way, throw them out and hunt for a new pair. Just like our senior year, it's really

grand knowing this is our last, but when it comes down to the end, it's rather sad to leave behind such memories in search of something new. But, you'll always remember the way to go home.

ACTIVITIES

SILVER TREADS AMONG THE OLD

Platforms. Important things are put on a platform as are the activities at BHS. Homecoming, Senior Play, and Prom are special events that require many hours of hard work until the final moment that they begin. Most students will remem-

ber these activities throughout their lives, whether they took part in the planning or just went to enjoy. Everyday treads are kicked off and replaced by more elegant shoes for the special activities.

SPIRIT FILLS "MISTY" HOMECOMING

The theme for homecoming was "Misty." During Spirit Week, there were many activities. Each class saved pop cans for a week and then built a pyramid. The seniors won. Another day was specified as "hat day." Cindy Guffey won with the craziest hat. And, last but not least, was Mr. Irresistible Day. On this day, girls bought paper lips for a time, and if a boy got the girl to speak to him, he got her lips. Chuck Price and Dana Foran tied with twenty-eight lips each.

At Homecoming the crown bearer was Jason Shumard and train bearers were Natalie Sams and Tiffany Schnierle. Dave Spalding, Carol Bertsch, and Deb Cahill provided entertainment until the dance began, and the homecoming band "Scheme" took over.

HIGH STEPPIN' FOR THE PARADE

For the Homecoming game, Bement played Villa Grove Blue Devils. The freshmen float was, "Feed 'em To The Bulldogs," the sophomores won first place with, "A WHALE OF A VICTORY." Juniors received third place with "Let's Sea The Devils

Walk the Plank." And finally, the seniors won second with, "Bulldogs have Jaws Too." Ruth Bales, Mark Harper, and Scott Gallivan think it's hard work to fix up a float. At a pep rally, the cheerleaders and the football players had a good time.

GLASS SLIPPER FITS JODY WILLIAMS

The 1978 Homecoming Court consisted of Janet Cahill escorted by Jeff Gallivan, Becky Miller escorted by John McHale, Carolyn Fleming escorted by Jim Johnson, Jodi Fansler escorted by Gary Harvey, and Queen Jody Williams escorted by Steve Swaim.

SENIORS HIT SPRING "BY THE DOZEN"

"Cheaper by the Dozen" had been done once before at BHS in 1970. This year's cast was made up of all seniors. Miss Sharp, director, enjoyed working with them and was eager to comment on the play. "One of the nicest things about this cast was that they were able to keep the spirit of the play, its warmth and humanity. They proved themselves to be a very professional cast, and the production was one we all took great pride in."

IT'S HIGH HEELS AND FORMALS FOR "HEAVEN TONIGHT"

The junior class selected "Heaven Tonight" as this year's Prom theme. The gym was decorated with black and silver, complete with it's own stairway leading to heaven. The band was Full-house. After-Prom was held at the Bement Bowl; Midwest Prairie League supplied the music.

YEARBOOK IS PAIN IN FOOT

Yearbook making is certainly not a pleasurable task when each member of the so-called staff fails to do this share, and the majority of the work falls on a few responsible people.

Hope is never lost—maybe, one day a deadline will be met with time to spare. It can be said that those who did their share will never forget the fun times.

BAND GETS IN STEP

The marching band participated in the Tuscola Old-Fashioned Days Parade and the ISU Homecoming Parade. Their major projects included paper drives, the annual Spaghetti Supper and other

sales which contributed to the fund for new uniforms. After a successful concert band season, the year was topped off with a trip to Six Flags.

MADRIGALS SING AND DANCE

December 9, 1978, the chorus held its fifth annual Madrigal dinner. Over 160 people attended the festivities. The guests were served yeast rolls, figgy pudding, cheese, and hot wassail.

There were sixteen singers and two jesters to entertain the guests. Mrs. Sampson thought the dinner was a big success.

SHOES TAP OUT BEAT FOR CHORUS MEMBERS

This year's chorus was small, only fourteen members, and only two boys to carry the base and tenor sections. But they made up for their size by actively participating in three concerts—fall, Christmas, and spring. They also performed at the annual spaghetti supper and at graduation.

Carol Bertsch, Carol Barnhart, and Dave Fuqua were chosen to represent our school in IMEA, a large chorus formed by selected students from neighboring schools.

Several members also received either superior or excellent ratings at the IHSA Solo—Ensemble contest. They were: Carol Barnhart, Julie Cahill, Barbie Crupper, Janet Fendley, Dave Fuqua, Jan Johnson, Pam McNew, Dave Spalding, and Debbie Walsh.

Newsstaff worked hard throughout the year designing the Bulldogs Bark. Mrs. Flood, Lori Thomas, and Carol Bertsch were kept busy getting articles in on time, and putting together the senior issue. SPORTS

JEEPERS CREEPERS WHERE'D YA GET THOSE SNEAKERS

Sneakers. Sports play an important role in school. Most students wear sneakers at some time whether it be in basketball, volleyball, or P.E. class. Sneakers can sometimes be the only shoes people wear. Their total comfort can make anyone

fall in love with their fit. There are many different styles and colors of sneakers; it would be hard to find two pairs exactly alike. Sometimes, throwing away your worn out sneakers can be one of the hardest things you'll have to do.

The J.V. football team finished the year with 2 wins and 6 losses. The Bulldogs' first game was at home against Monticello; the final score was 14-0, Monticello. Bement then traveled to Arcola where they were defeated, 22-8. The next week, it was Arthur 11, Bement 6. The Bulldogs traveled to Villa Grove where they were victorious, 8-0. 38-14, Bement, was the score against Newman. Bement then played Cerro Gordo on their own turf, the score was 32-14, Cerro Gordo. Bement hosted Sullivan for the last game of the season and lost by only one point, 7-6. When asked what he thought of the season, Mr. Sarver replied, "We may not have had a winning season, but it was a great learning experience for the players. The highpoint of the season was winning one more game than last year."

BOUNCIEST SHOES AROUND

Ellen helps cheer on the crowd!

The girls were very busy during the year. Not only with school and ball games but with lots of other activities as well. After the games the girls made cookies for the football players and cupcakes for the basketball players. They also prepared and put on many skits for pep rallies. During the snake dance the cheerleaders organized the bon fire at football field for the football boys. It was the last year for Becky Miller, Jody Williams, and

It was a lot of work, but the girls had a lot of fun doing it!

IF THE SHOE FITS, WEAR IT

We've had a lot of fun working on the yearbook this year, but everyone worked hard and are glad to finally kick their shoes off and relax.

We would like to give special thanks to Lorey Morton, who has done more than her share of the work; to Merle Taylor, who made it all enjoyable; and to all the photographers, including Gene Schnierle, because without them we could not have made this yearbook.

In closing, we would say that we hope all of the Class of '79 use all their opportunities in the best way possible and remember—IF THE SHOE FITS, WEAR IT.
