This year time flew past just as quick as always at B.H.S. Many new faces became familiar to all. After many years as principle, Mr. Hensley started teaching science. Mr. Keaster moved from grade school principal to high school.

The year started out on a wobbly leg because teachers were trying to negotiate with the Board to get a contract regarding salary, benefits and conditions of employment. Students went ahead and prepared for homecoming which

is a highlight of Fall.

The senior class didn't follow tradition this year and had a skip day in the Fall. Many students enjoyed seven snow days off during the winter but would have enjoyed an Easter vacation also.

The whole community was effected by the referendum not passing. Students had mixed feelings about filling out schedules for the upcoming year due to cuts made from the falling referendum. Cuts included half time ag classes and no spring sports.

TIME IS FLOWIN' BY

Students participating in fall sports at B.H.S. started in late summer to ready themselves for the upcoming season. The football boys regretted the hot summer days and double sessions; but showed their skills by having a 6-3 record. The Volleyball team sweated through the hot August practices, setting a goal of placing in the District Tournament. They achieved this goal by placing second in District. This match will be remembered by many, because it was the last game for six seniors.

The girls basketball team had a rebuilding year. Several sophomores played on the varsity team. The community united to support the boys basketball team as they strived to become Conference and L.O.V.C. champs. We the students at B.H.S. are proud of the 1981-82 basketball team for breaking the school record this year by going further than any other team in the past years.

The freshmen started the year with high hopes. These hopes helped to build the Bulldog's Spirit throughout the year. Freshmen found they had to prove themselves. They worked hard to place 3rd during Homecoming Week's competition. Michelle Gifford proved herself by placing first in the NEDT testing. Freshmen also were found entering into the swing of high school life. Efforts were made to participate in sports and organizations. And many times they excelled — such as band contests, chorus contests, and JV sports.

JUNIORS LEAD IN SPIRIT

The juniors took the lead in the beginning of Spirit Week and ended with a VICTORY! They participated in many activities throughout the week in order to win. To make money for prom, the students sold magazines and had

concession stands. They took several tests such as PSAT, CRP, and ACT to help them in the future. The Juniors received their class rings in October.

was the creation of FHA. All organizations and classes found time with their busy schedules to work on their floats. FHA placed first with their float entry. It was a close race for second, but the seniors pulled through with the theme, "The Purple Riders will fall to defeat." This left third place to the Juniors. Their theme was "The Brains, The Courage."

JUNIORS WIN SPIRIT WEEK

To get the students into the right frame of mind for the homecoming game, Student Council organized Spirit Week activities. These activities were chain links (M-F), three-legged race (T), rock concert T-shirt day (W), toilet paper race (TH), and the homecoming parade (F). Chain links were won by sophomores. It was an easy victory for the juniors in the three-legged race. The Junior class showed their rock 'n roll by wearing the most T-shirts. The senior athletic ability played off in the toilet paper race. On Friday everyone could sit back and enjoy the parade.

VICTORIOUS BULLDOGS END SEASON 6-3

The Bulldogs opened the season with victories over Mowequa and Farmer City. By Homecoming the Bulldogs spirit was high with a 2-1 record, but despite their efforts they lost to Arcola. Spirits heightened again when the Bulldogs defeated the Rajahs 25-0. An upset came about for the Bulldogs when Villa Grove came to town. Villa Grove's quarterback was too strong a force against the Bulldogs. We were defeated 25-0. Still practicing with all their effort they traveled to Cerro Gordo ready to play the Broncos. The hard practices paid off, the Bulldogs won 36-6. The following week on their home ground Bement took on a tough Arthur team. The Bulldogs played their best all through the game, but with two minutes left in the game, the teams were tied at 22. Bement scored a touchdown, and kicker Chuck Walsh booted it through the up rights making the score 29-22. Coach Hays and the kick off team decided to try an on side kick. It worked! Greg Wildman recovered the ball and the Bulldogs offense ran out the clock. The Bulldogs ended the season with a victorious 6-3 victory by defeating Deland-Weldon 28-14. The Bulldogs running attack was led by juniors fullback Tom Walsh and tail back Tim Morton, and seniors Bob Tieman and Gene McNew (who was injured most of the season). The Bulldogs were led in receiving by two seniors — Kent Clements and John Plummer. The defensive attack was lead by line backers Tom Walsh and Scott Allison; by defensive end Morris Rittenhouse; and defensive tackles Chuck Walsh, Jim Quick, and Scott Romack.

ANXIETY AROSE AMONG

fans and team members at any games where the score was close. The Bulldogs started off slowly for their first two games, but came back with a victory against Deland-Weldon to give them some enthusiasm to strive for victories. They lost to Arcola and then came out with a victory against Atwood. Even though the team lost their game against Villa Grove, they played very well.

The Bulldogs came out on top against Arthur by holding their offense. John Woolley ran back to punt for the first touchdown. The offense got a two point conversion to make the score another six points. At this point, instead of going for two, Coach Plummer decided to try for a field goal. It was good and the Bulldogs won the game with a score of 15-14.

The J.V. played very well throughout the season. The defense allowed no more than 19 points a game. Ending in season, John Clark led with rushes and Steve Walsh was leading receiver.

Even though the Bulldogs ended the season with a 3-5 record, all the players and fans look forward to exciting victories next season.

VARSITY DOES WELL

The highlight of the year was going to the District Tournament at Lovington. The Varsity players made it to the finals by beating Atwood and Cerro Gordo, but ended with a loss to Monticello. Co-Captains of the team were Kim Auth and Lana Manalisay. Kim Auth was chosen for the L.O.V.C. Second-team All-Conference. The girls ended the season with a 10-12 record. J.V. had a 9-6 record.

Bulldogs went all the way to the top by winning the L.O.V.C. Tournament and being named L.O.V.C. Conference Champs. During the Christmas Holidays the Bulldogs traveled to Shiloh's annual holiday tournament. The Bulldogs captured third by defeating the Shiloh Raiders, but not before playing an overtime game with Martinsville. Next they traveled to Villa Grove to play in the L.O.V.C. tournament. They defeated Villa Grove in the semi-final and moved to the championship against Cerro Gordo. The Bulldogs started off slow in the first half but exploded in the second half to a 13 point victory to capture the L.O.V.C. crown. The Bulldogs needed to win their last three games to capture the L.O.V.C. TITLE, which a Bement team has never done. They traveled to Atwood and came out on top. Their last two games were both against Arcola. The first match was at Bement and the Bulldogs squeaked by with a 39-37 victory. Two days later the Bulldogs traveled to Arcola. Tom Walsh exploded in the first half with ten out of his eighteen points scored. The Bulldogs routed over the Purple Riders to capture the title. The Bulldogs then prepared for Monticello in the regional. Hopes were high, but the Bulldogs suffered a heartbreaking loss by the score of 82-55. This is the best record in the history of BHS.

IT'S THAT TIME OF YEAR AGAIN . . .

B.H.S. has done it again. The cheerleaders had a whole lot of fun this year, cheering at football games, basketball games, and raising money. The girls had raffles and sold t-shirts to make money.

The cheerleaders lead a large part of the community to

arise the Bulldog's spirit during the L.O.V.C. Basketball Tourney. They worked hard in signing people up for fan buses. There were many times where the girls had all the fans in the stands, standing up, and cheering the Bulldogs to victory.

SENIOR METS RECORDS

The high point of the varsity season was when the Bulldogs beat the Cerro Gordo Broncos. The team finished with a 4-15 record, but the team consisted of many sophomores. The team only had three seniors they were: Theresa Bates, Cindy Guffey, and Melissa Rittenhouse. Cindy Guffey made L.O.V.C. Honorable Mention. Cindy also was high scorer, Erin Harvey and Cindy were leading rebounders.

The J.V. girls finished the season with a 10-3 record. The season started out with a six game winning streak which really fired up the crowd. The years leading scorer was Angie Gallagher, and leading rebounder was Sue Fristoe. These two girls also played on the varsity team.

TEAM SETS NEW SCHOOL RECORDS

Team members anticipate upcoming events.

John Plummer develops his high jumping form.

Gene McNew strives for a good jump.

Mark Mayer sails over the long jump pit.

Gene Schnierle gives the boys some useful advice.

The boy's track team sprang out of their starting blocks and off to an impressive season when they hosted and won the Bement Invitational.

The conference meet at Arthur placed Bement neck-and-neck with Arthur for the title. Arthur came away the victor by only two points. The conference meet gave BHS a chance to show off its strong individuals. First place event winners were Mark Mayer in the 100 meter dash and long jump. Bernie Whalen in triple jump, John Plummer in low hurdles and Tom Walsh in shot put. Tom set a new school record with a throw of 51'2".

The 800 meter relay team sailed to victory. The 400 meter relay team consisting of Mark Mayer, Gene McNew, Jim Bently, and Greg Wildman also won with a school record-breaking time of 46.00 seconds. The district track meet at Monticello gave Tom Walsh and Mark Mayer the chance to advance to the state track meet at Charleston. At Monticello, Mark placed first in the 100 meter dash and second in long jump, and Tom placed second in shot put.

The freshman and sophomores on the team attended only one meet, but they brought home nineteen ribbons.

Theresa, Tammy, Andi, and Laurie win mile relay at conference meet.

At the Bement Invitational track meet the girl's track team came on strong and received a second place. Five girls received first place in the conference track meet at Arthur. Theresa Bates, Tammy Harper, Andi Shonkwiler, and Laurie Bates placed first in the mile relay. Tammy Harper placed first in the 800 m. run. Amy Hinton placed first in the high jump. Overall the team received third in the conference.

BASEBALL HAS NO TIME OUT

The bat swings on even after schools out for the baseball team. The boys had a hard time at first getting the weather to cooperate, but things worked out in the long run.

The team included five seniors which were: Dave Ard, Kent Clements, John Plummer, Jim Quick, and Greg Wildman. Coach Hays said that this year's team were very strong hitters.

BOARD OF EDUCATION

The Board of Education spends many hours striving to meet the needs of all students in our school.

Some of its responsibilities included setting policy, developing curricula, improving facilities, authorizing expenditures, and directing all aspects of the educational program.

The Board of Education worked to provide a school which will prepare each student to think independently and to make a fulfilling and productive contribution to society.

It may seem for the teachers, it was just yesterday they were in high school. But as time went on, they found themselves in the midst of Bement High School, looking back on cherished memories of their high school days.

In 1965 Miss Sharp could have been found memorizing lines for one of her many plays. Mrs. Gaigalas remembers being the ping-pong star. Miss Ogles received the Arion Award. Mr. Hays received the honor of validictorian. When Mr. Wingle was asked what records he broke in high school he replied, "Once I remember smashing one of Ricky Nelson's records."

Today we can find Mr. Schnierle behind his camera. Miss Suess can easily be found pulling out in her new chevette. Mrs. Borelli uses her spare time teaching gourmet and microwave classes.

Someday maybe in the year 2000 we will be able to reflect as these teachers have and be proud of our accomplishments.

TIME IS OF

Sec. Inez Crim and Rita Varner work hard to accomplish their daily work.

Cooks, janitors, bus drivers, and secretaries met many schedules, deadlines, and demands.

For these people, working hours are not necessarily 8 a.m. to 4 p.m. Besides their daily work, secretaries are responsible for alerting the community to snow days — which means their day could begin at 5:30 a.m. Secretaries also attend nightly school board meeting. Bus drivers spend many hours during and after school chauffeuring students on field trips and to sport events. Janitors struggle to keep the building warm during the winter. This means early morning maintenance with boilers. Cooks begin their day preparing lunch for grades 1-12. Inez Crim retired this year after many years of service to the school. Her duties have been handed to Andrea Gregg. Another new face added to the staff was Sharon Hooker; headcook. Sec. Liz Bertsch enjoys her 6 years of working at BHS.

Even though its hard work, all time spent is worthwhile.

LIBRARIANS FILL DUTIES

Librarians talk about future plans.

Distributing films to teachers, checking out books to students and keeping the library in order are some of the duties of the librarians. The librarians are responsible for both the high school and grade school libraries. Librarians also strive to make improvements to the library such as buying magazines.

Miss Gudauskas, Sponsor, works closely with the librarians to keep the libraries running efficiently. Due to four librarians graduating at the semester Miss Gudauskas recruited students from study hall to act as replacements.

Librarians: Top Row, Laura Wrightson, Loretta Strack, Cindy Allen, Kim Auth, Barb Laley, Cindy Smith, Cindy Guffey, Kelly Sparkman, Sitting: Kathy Lane, Tina Adams, Rick Tieman, Angie Cody, Valerie Jennings, Pam Zindars, Michelle Montgomery, Sherri Ashby.

Officers: Miss Gudauskas, Sponsor; Loretta Strack, President; Cindy Guffey, Vice President; Barb Laley, Secretary.

A YEAR IN SONG

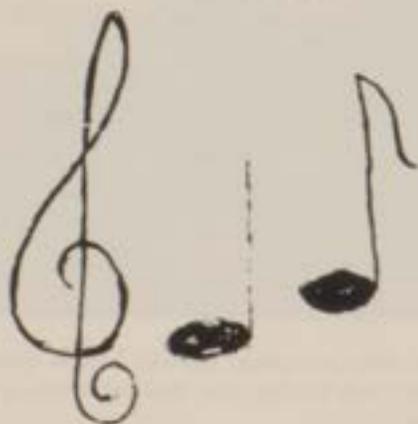

As members entered the chorus room; a new addition awaited them — Miss Rebecca Ogles. Miss Ogles, a native of Mt. Vernon, Indiana received her bachelors degree from Murray State and her masters degree from the U of I.

Students worked diligently all year preparing and performing in concerts. In November try-outs for the district festival were held. Jamie Ater, Angie Carney, Michelle Montgomery and Sandy Roderick were among the few who made it. Being in the All-State choir is quite an honor to receive. This year everyone was pleased to hear that Sandy Roderick had made it. This is the first time in the history of Bement for a student to be honored DS.

As soon as they entered the new year students started preparing for solo and ensemble contest. The contest was held March 6. All the contestants seemed satisfied with their ratings.

In April the Organizational contest was held in Monticello. They took a girls choir and a mixed choir. The chorus year in song ended on a high note when the girls received a perfect I rating score and the mixed choir also recieved a first rating.

Miss Ogles plans on having a jazz and show Choir in the future.

Sandy, Michelle, and Patricia prepare for contest.

If you were driving by the high school in the fall while the flags were practicing, I'm sure you could hear among the birds Miss Moore's voice yelling "SELL IT!" And as sure as the birds fly south in the winter that's just what they did every home game.

Flags: Angi Rexroad, Lori Foran, Denise Quick, and Drum Major Mary Kirwan started their successful season off on the "left" foot by attending Marching Auxiliaries of America camp at ISU. They learned many routines and new skills that made the crowd "buy" their fall show. Besides performing at football games the flags also competed in many parade competitions. The highlight of their year was at the U of I Marching Band competition. The flags topped the list in class D by receiving 1st. In TIME their hard work and dedication paid off.

And a 1 — and a 2 — and a — The marching band paraded onto the football field displaying formations and playing a variety of songs.

And a 3 — and a 4 — and a — Drumming into the fall season, the band kept the beat going by placing 5th in Tuscola's Old Fashion Days. They participated in a class D competition and placed 5th in U of I's Marching Band's Day. Marching Band received 4th place honor at Decatur's Christmas Parade. The Band and Chorus also held a Christmas concert for the community.

And a 5 — and a 6 — and a — You could find the marching band beating their way into the spring season. On April 1 they held a Spaghetti Supper supported by the Music Boosters. This consisted of a supper with a variety of music. At E.I.U. Glen Clark and Shelly Grindley performed in an honor band.

There's one thing for sure — when their clocks get wound up there's no stopping them.

And a 7 — and a 8 —

Angie Gallagher and Shelley Grindley have last jitters before their performance.

One of the most honorary experiences in high school is to be selected as a member of the National Honor Society. Juniors and seniors are selected by the faculty. The faculty votes on the applicants for scholarship, service, leadership, and character. NHS is sponsored by The National Association of Secondary School Principals. May 27 old members initiated new members into NHS. During the ceremony new members received their pins, cards, and certificates.

TIME EARNS POINTS

Being a thespian isn't always just a title as it sometimes may seem to other people. A thespian is an honor for which every drama club member strives. Many hours of a thespian's spare time are occupied by memorizing lines for plays and working on various play committees. Ten points must be earned to be a thespian. One point is equivalent to ten hours of work on plays and committees. New thespians were initiated and received their pins, charms, and certificates at the ceremony on May 27.

PRACTICE MAKES PERFECT

F.F.A.'s highlight of the year was winning their F.F.A.'s basketball tournament. The players were proud of their accomplishment. Officers were elected at the beginning of the year. They were: Dave Foran — President, Tim Morton — Vice President, Bernie Whalen — Secretary, Richard Kirwan — Treasurer, Lynn Larimore — Sentinel, Dave Ard — Reporter, and Phil Rothchild — Sponsor. The officers worked hard in creating F.F.A. Week. Monday's activity was Bib Overall day. Wednesday's activity was the messy pie eating contest won by Freshman, Wayne Bennett. Thursday's contest was the corn count guessing game which was won by Valarie Jennings. She missed the count by only one. The last day, Friday, was the milk chugging contest won by senior, Joe VonBaren, MORP was held on Saturday, February 20. F.F.A. and F.H.A. combined their talents to produce an atmosphere of "On the Road Again to the Future." Many students were found wearing cowboy boots, bandanas, and cowboy hats. The band, Flatland, added to the festivities by playing country rock music.

THYME SPICES UP FHA WEEK

It was the month of February and FHA Week was upon us. Members worked diligently spicing the week's activities; Red & White Day, Sundae competition, Valograms, Doughnut sales, and Mr. Irresistible. The main ingredient was Saturday's dance, "On the Road Again to the Future." Cindy Guffey and Dave Foran added to the ingredients as they were honored with the title of Sweetheart and Hearthrob. Selling Glasses was mixed into the ingredients as the year's main money making activity. Staples, paper, and time were blended together; coming up with a first place float "The Crystal Ball is on our Side Tonight." All seasoning blended together added to FHA's successful year.

"The Remarkable Incident at Carson Corners." was presented by Drama Club during the fall semester. Members tried out for the twenty-eight parts. The cast prepared long and hard for the play. Tickets were sold to raise money for purchase of props. Miss Sharp was quoted as saying the play was one of the most serious plays ever performed in the history of the high school. The play opened as the students invited the parents to a meeting at the high school. Surprisingly the meeting turned out to be a trial. As the trial progressed Mr. Kovalesky, played by Rick Tieman, was tried for the murder of Bill McGinnis, played by Wayne Bennett. The final decision was that not one person could be accused of the murder but all were involved.

Mr. Kovalesky takes time out for lunch.

SENIORS "SHOOK THE FAMILY TREE"

CAST

Seniors presented a 3-act play entitled "We Shook the Family Tree." The play consisted of a high school girl without a date for prom. Her only hope of getting a date was to join the school's debate team. When this failed her mother took charge and set her up with Freddie Shermer the only boy in school to wear knickers.

Being embarrassed by knickers she decided to find Freddie a pair of pants. The rest of the play was a continuous challenge to find these pants.

Seniors did an excellent job dramatizing this light, humorous-style play.

C'EST LA VIE!

Many lasting friendships are formed each year in the French Club. By being a member you learn about the French language and culture. Working together Darla Henson — pres., Lana Manalisay — vice-president, Sue Fris-toe — sec., Debbie Roberts — corr., and Mrs. Gaigalas planned many activities for the year.

In October they were on their way to Bloomington/Normal to see *Le Petit Prince*.

The month of December they were kept busy by collecting presents for needy people. By December 23 they had collected 250 presents for the Piatt County Mental Health Center and 85 presents for Community Action.

On Dec. 17 they held a X-mas party at Rick Tieman's house. The evening was enjoyed by playing french games and singing carols.

When March arrived many hours were spent planning and getting ready for Mardi Gras. Mardi Gras was held March 26. Richard Molck and Mary Kirwan were chosen to reign as the king & queen. Angie Gallagher received 1st prize for best costume. They spent the evening watching some skits of French Club's version of *French TV*. After receiving dispensation from the priest they were able to serve cocktails.

TIME'S NOT ENOUGH

New people brought new ideas with them at the beginning of 1981-82 school year. In September Annual Staff members began their financial responsibilities by selling ads to local merchants. The members were faced with rising costs of production, realizing they had to exceed last years goal in selling ads. Both old and new people went out and broke last year's record. By December the first deadline was drawing to a close, at this time much of the work was taken over by the new members of the photojournalism class. The class plunged into hard work and originated and finalized the first deadline.

Bob Donnley, the representative from Herff Jones met periodically with the photojournalism class supplying them with media and advising the new members in regards with the best yearbook methods on production.

Articles made Newsstaff step up the beat to meet the deadlines for the student's newspaper, Bulldog's Bark. Mrs Flood (sponser), Cindy Allen (editor), and Debbie Roberts (asst. editor) kept busy designing layouts styles and originating new subject material.

Members scribbled and scrawled articles each week until they reached perfection. Fall and Spring classes filled the weekly Bulldogs Bark with articles feature stories, photo-essays, and in-depth reports.

Activities throughout the year included an editor's fall workshop at U of I; a visit to the publisher of the Bement Record, and a spring weiner roast.

Highlights of the year were interviewing Susan Kay of PM Magazine, and writing on controversial topics such as teenage pregnancy and relationships.

A CHANGE OF PACE FOR STUDENT COUNCIL

Student Council used new ideas to change the look of homecoming. The differences were having a swing band, "The Originals", having a king in the coronation and having the game and coronation scheduled for one night. Gene McNew and Theresa Bates were announced as king and queen of the year. The 1981-82 Student Council President was Lana Manalisay, Vice-President: Richard Molck, and Sec.-Treasurer: Stephanie Burgener. Mr. Lefever and Mrs. Harms were advisors of the council.

JUST BETWEEN YOU AND ME

Tammy and Craig took advantage of the music and danced.

Couples entered the University Inn on Saturday, April 24 to enjoy an evening of dinner and dance. Deb Burton opened the evening by welcoming everyone. A choice of turkey or steak was served for dinner. Couples danced the night away to the music provided by a Taylorville group, "Antics." A variety of music was played. The theme song, "Just Between You and Me," was the first song played in the second set. At the stroke of twelve couples reluctantly left. A survey was taken the following week proving prom to be another success.

On December 12, 1981, the Chorus presented its eighth Madrigal Dinner. There was a large reception that was held after the performance. They served cookies, cheese and crackers, punch, and Wassail. There were 12 singers and two jesters. From these fourteen there were two Junior High students who participated. The 1981 members were Scott Allison, Angie Carney, Don Wirth, Polly Wright, Tom Hensley, Mary Kirwan, Pat Tieman, Amy Hinton, John Thomas, Tina Adams, Tony Wirth, Shelley Grindley, John Woolley, and Sandy Roderick.

Memories of joy,
Memories of talks about the boys.
Memories of fun,
Things we normally wouldn't have done.
Memories of shared "secret" smiles,
That we seem to forget for a while
Memories that can't be left behind
Memories that always stay around
Memories of a person we could always count
on.

You were never embarrassed to be seen
with anybody
Not like others would be.
You showed your friends that things could
change
Things could be rearranged.

We were so lucky to have a friend like you,
Even for the short time we knew you.
Thank you for always being there,
You were a very special friend
And I'm glad we were friends to the end.

Editor — Barbara Laley

Assistant-Editor — Sandra Roderick

As Editor and Assistant-Editor of this yearbook, we hope, in the future, it will bring back many fond memories of your high school days, such as winning the L.O.V.C. Conference Championship. It took a lot of TIME and it caused many headaches, but we are sure we will be pleased when it is published.

We would like to thank all Annual Staff members that worked, the Photojournalism class, and Advisor — Miss Cheri Sues for helping us and giving ideas for the yearbook. We would also like to thank Jerry Allen, Greg Barnhart, Kyle Rogers, and John Plummer for taking pictures and working in the dark room.

The TIME for the school doors to close came, but several members: Barb Laley, Sandy Roderick, Pam Zindars, Lori Foran, Karen Wildman, and Miss Sues worked on into mid-June to finish the annual for the last deadline.

WE WISH THE SENIORS SUCCESS IN TIME TO COME

Barb Laley
Sandy Roderick
