EVERYWHERE A RAINBOW

MANY DIFFERENT PEOPLE CAME TOGETHER
AT BHS EVERY DAY. THE PEOPLE AS
DIFFERENT AS THE COLORS OF THE
RAINBOW FUSED TOGETHER SMOOTHLY;
EACH, AT TIMES, SHOWING HIS "TRUE
COLORS".

TRACILITY

BHS SEES NEW COLORS

The students at BHS saw many new faces when they started school. There were changes in the administration.

Greg Bradley was employed as BHS's new principal, and former principal Greg Zollman became superintendent for the year. Jan Hamilton permanently replaced JoAnn Mellendorf as a secretary for the superintendent's office.

The school board also saw a new face, Tim Tracy, a former BHS student, replaced Larry Rogers.

NEW FACES ADD COLOR

Two new teachers joined the faculty — Kathy McNeeley for Math and Jerry Newlin, who formerly taught at BHS, returned part time to the staff. When the faculty wasn't helping with extracurricular activities or grading papers, a few teachers held a concession stand and bought a ceiling fan for the teacher's lounge, which Principal Bradley installed. Some teachers bowled on Thursdays after school for some "R & R".

NICKNAMES ADD COLOR

Walking down the hallway one might hear the students calling each other by their somewhat "odd" nicknames. One might find "Roasty Potato" (Eric Jarboe) talking with "Hammer" (Eric Hamilton), or maybe one would run into "Spaz" (Cindy Stoerger) and "Clyde" (Kathy Hensley) getting into some kind of trouble. "Kay-Mart" (Donna Gallivan) might be helping "Spot" (Steve Thompson) with his Algebra.

These are just a few of the many nicknames the freshmen class has acquired over the school year. They reflect the fun-loving sides of their personalities.

RAINBOW OF PERSONALITIES

The sophomore class has a mixture of interests and talent. As the largest class, they have been able to contribute many of its members to a variety of activities, ranging from sports, to music, to student council, and a variety of clubs. No matter what their interests are, these sophs all have their own, unique personalities — color them rainbow!

HARD WORK PAYS OFF

The juniors spent most of the first part of the year selling magazines and working at concession stands to promote Prom. Some juniors played varsity for the first time in athletics. Other juniors studied and later took the ACT or SAT test to prepare for college. But all students in the class of '88 became upperclassmen.

SENIOR CLASS

BLACK AND WHITE — DIFFERENT ALL OVER

Growing to sixteen members strong, 1987 saw changes in Newsstaff. Besides meeting their deadlines for the BARK, the staff also began a community service project, and due to the lack of a second semester Journalism class, members were brought out and dusted off to write for the weekly turned monthly newspaper.

Newsstaff is not only responsible for the publication that appears in the BEMENT RECORD, but its members also celebrated National Newspaper week by increasing awareness of the strength of a free press at BHS, members picked up trash on campus during study halls as a service project to clean up the school, published the Senior Issue, and sold subscriptions to the BEMENT RECORD as their principle fund raising project.

"I thought that the service project was a good opportunity for the students to do something for

their school, and I think it helped them to build pride in their school," said Cathy Flood, faculty advisor for the staff.

Though weekly publication is rare for high school publications, the BARK was commended by faculty at Ball State Journalism Camp, attended by Editor Lori Bowen, for its timely coverage of school events on such a tight schedule.

The monthly publication was a break for the staff, but it won't become a tradition at BHS.

"There's less pressure without a weekly paper, but I'm looking forward to returning to a weekly publication next year with the return of a Journalism class. I think students realized how much they appreciate having a weekly paper when we became a monthly one," said Flood.

MORE THAN JUST A VICTORY

Hula-hoop contests, toilet paper races, and many tourists were seen at BHS. The juniors won spirit week and received third in the float competition. The spirit of the pep rally and snake dance was only dampened by rain. The freshmen won first place in the float competition with the sophomores running close behind. The seniors finished fourth.

On Friday night, the Bement Bulldogs finally grabbed a long-awaited victory over the Cerro Gordo Broncos in the Homecoming of '86.

ONLY SOME TRENDS CHANGE

Some of the same trends were popular in the 50's and the 60's as in 1986. Although saddle shoes and pony tails aren't a part of today's fashion, girls still wear guy's class rings, riding around town is cool, (especially if you are in a '57 Chevy), and the commotion of the year is the homecoming coronation. Scarcely seen poodle skirts and ducktail hair were seen everywhere during the week of homecoming. Coronation – the big event took place October 18. Time grew near, and all was silent; the 1986 Homecoming royalty were Queen Amy Cook and King Rusty Hislope. Times have changed, but BHS still shows its TRUE COLORS with class and pride.

GOOD TIMES FADE, MEMORIES LINGER

The parade, spirit week, and the coronation are only part of homecoming; yet, together they make homecoming the most exciting week of the school year. During spirit week, if a new student had just arrived, he would have thought everyone was crazy by the utterly ridiculous attire that was worn. Many of the students stayed up late working on floats for the parade. Watching the coronation in suspense only comes once a year. In twenty years, the one event that will be most vivid in every alumni's mind, from the school year of 1986, will be homecoming.

STAFF WORKS "NIGHT SHIFT"

One can feel the presence of minds hard at work when stepping into the business room at B.H.S. It all starts on Monday nights from 7 to 9.

The staff started the year off by selling ads for the yearbook. In December, they proceeded to each homeroom to sell the yearbooks. The staff enjoys looking at pictures and discussing all of their ideas for their future plans.

LACK IN SIZE DOESN'T STOP COUNCIL

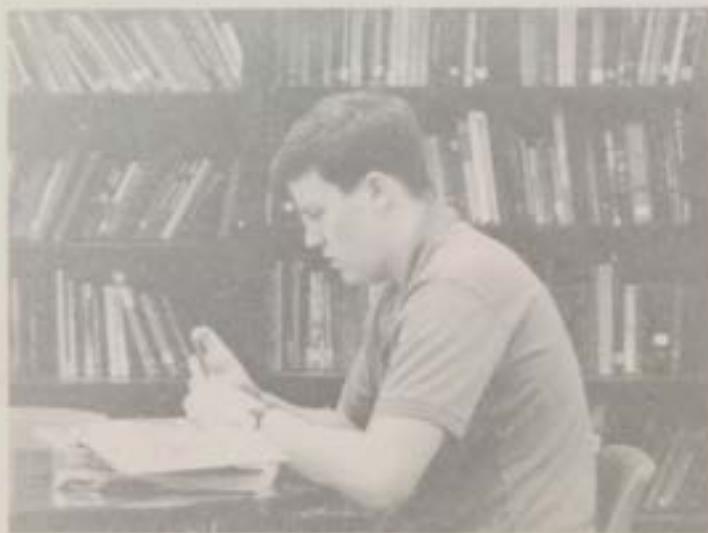

Even though student council decreased in size, they kept busier than ever. The council once again started the year with Homecoming in mind. Members were kept active with all the preparations for the big event. The council had purchased wicker love seats for the coronation ceremony for the court, which they plan to use for many years to come. A noon hour committee from student council participated with the administration offering ideas of recreation for the noon hour activities for fellow students.

Student council ended the year with their annual picnic. Student council members included: President Mike Day, Vice President Tonya Bowdre, Secretary-Treasurer Sharon Stoerger, Nancy Fritz, Patty Morris, Lori Bowen, Barb Gentry, David Jamison, Michelle Wilkinson, Cara Bentley, Tom Tracy, Stephanie Jones, Jeanniene McHale, Cory Shumard, Pat Bowen, Robert Gulliford, and Lisa Hite.

BOLD, BRASSY, AND BUSY

The Bement Marching Bulldogs went to six parades and to band day at the University of Illinois. They received a plaque for participating in the event. The band practiced for three and a half long hours, but it paid off; they combined with other bands and gave a fabulous performance. The only competitive parade was the Farmer City parade — the band placed second. Band Director Mark York said, "The Marching Bulldogs had a very fine season. The Flag Corps did an especially fine job and added a great deal of 'flash' to the routine. Michelle Wilkinson did her usual 'super job' as drum major." Michelle Wilkinson said, "We really sounded and looked good."

The high school's concert band was also successful. It placed first at the IHSA Contest. The band gave a good performance at the LOVC band festival directed by Harold Hillyer. The students enjoyed Mr. Hillyer's directing.

The Jazz Band performed at the Fall Concert and at the Spaghetti Supper. "The jazz, concert, and pep bands were full of excitement and enthusiasm," said Director York. Freshman Christy Arney said, "We sounded good." Sophomore Wendy Foran commented, "We worked very hard to get our first at contest, I think we accomplished a lot." In the spring, the band went to Chicago to see and hear the Chicago Symphony Orchestra. All together, the band had a great year.

BOYS BRIGHTEN CHORUS

Boys showed more of an interest in chorus during 1986-87 than in previous years. The interest led to a Mixed and a Treble Choir. Both went to IHSA Contest where both groups received first ratings. CHOIR members kept in tune with many events including LOVC at Tuscola and performing at three concerts during the year. The high school also sang at the State Bank of Bement for its Annual Open House.

MEN'S ADDITION EXPANDS CHOIR

To anyone comparing the show choirs of BHS past to the present day Deep Purple, there is one significant difference: a male influence. The group grew to twenty four members as director Karen Wilkinson chose to comprise the group of over one-fourth men. This addition added depth to the group as possible music selections expanded their repertoire. Four songs, R.O.C.K. in the U.S.A., Powerhouse, That's What Friends Are For, and Who Put the Bomp, were the numbers learned and perfected to earn them a gold-medal in the state contest. All of the choreography used was learned by choir members Lori Bowen, Wendy Foran, Barb Gentry, Sarah Jones, Michelle Wilkinson, and Karen Wilkinson at Showchoir Camps of America which they attended over the summer.

FUN AND . . .

SPOTLIGHT SHINES

The BHS Thespians, an honorary acting guild, were involved in the Spring Play. They also went to a Thespian Festival at the University of Illinois. Thespians had a large membership in 1986.

SCHOLASTIC BOWLERS IMPROVE ON PAST RECORD

Every athlete has their season, every journalist their publication, and every leader has their organization. But what about the rest? For them there is glory in Scholastic Bowl. The Scholastic Bowl team seems to be one of the least known, and rarely thought about teams here, but first year coach Kathy Gentry is trying to change all of that. "We did pretty well, but next year I'd like to see more people go out for Scholastic Bowl," said Gentry.

Size was not the team's strong point, with only eleven students to make up two squads of five members each. But what they lacked in quantity, they made up for

in quality. Eight former players returned for another season, with last years' letterwinners Mark and Sharon Stoerger back to the Varsity team. The JV squad lettered 3 players, sophomores Chuck Slagle and Marc Manint, and newcomer Pat Bowen, finishing the season with a 2-5 record. This is an improvement when in past years no wins were accumulated. The Varsity team didn't fair so well, ending the season with a 0-7 record.

Bringing up JV players in the conference tournament was a boost to the morale of the Varsity squad, and Bement held up a 3-4 record in conference play.

Upper Right: Coach Kathy Gentry spent hours both before and after school quizing the team on possible questions in preparation for actual game play. **Left:** Varsity player Mark Stoerger thinks carefully before buzzing in to answer a toss-up question during a game. **Lower Right:** Senior Jeff Vezina buzzes in on a toss-up question to win ten points for the team.

GOOD AS GOLD

Librarians are always a big help to students and teachers. The librarians bought four new magazine subscriptions for the school. They're as "good as gold".

Miss Gudauskas celebrates her 20th anniversary as a librarian at Bement. Miss "G's" reaction about being here for twenty years was that it's different every year, and she enjoys being at BHS.

MORP AND MORE

Some **FHA-HERO** members attended a convention in Springfield sponsored by **FHA-HERO**. Awarding-winning food displays were exhibited as well as clothing displays. **FHA-HERO** members were surprised by their "Secret Santas" during Christmas, and they also had a Christmas party.

FHA-HERO sponsored MORP not unlike last year. "Slamer" played for the event. Junior Todd Thomas said, "The band was good, but not as many people showed up as planned."

FHA-HERO officers and members: President: Tracy Pierce, Vice President: Nancy Fritz, Sec/Tres: Joy Lewis, Historian: Chuck Burgener, Public Relations: Todd Thomas, Sheila Allison, Alisa Fairbanks, Paula Larimore, Tara Larimore, Patty Morris, Shane Moseley, Angie Phillips, Stacy Poague, Jeff Price, Gary Brennan, Kelly Fritz, Teresa Roderick.

Top: Sponsor Mrs. Borelli is involved in many activities; one of which is dancing at PROM. **Bottom:** Sophomore Stacy Poague is active in numerous FHA-HERO projects; here she is yelling for Bement's Football team.

CLUB OF MANY "COLEURS"

French Club members kept very active. In the fall the members ventured to Chicago where they saw a French rock band, The Robert Paquette Band, ate at Le Bordeaux, and went to the Chicago Art Institute. To end the day, everyone enjoyed shopping at Water Towers. Among the various activities at Christmas time, the club made Christmas baskets, with donations of fruit and other sweet treats

from the members, which were taken to the nursing home residents. The members also sang Christmas carols in French. In March they participated in an old French custom — Mardi Gras. Everyone enjoyed live entertainment, food, and games.

All together the French Club has had "une annee de beaucoup de couleurs."

THRILLER — “BONE CHILLER”

The spotlight shined on the cast of “Bone Chiller”; some were nervous, some anxious, and some just natural. The cast of “Bone Chiller” was directed by first-year sponsor Kathy McNeeley. “Bone Chiller” was a suspense-filled mystery.

Sophomore Marc Manint said, “It was tough throughout the practices until the practices until the last couple of days . . . It was a lot of fun.”

Top: Bone Chiller's Cast: Sponsor, Kathy McNeeley, Tiffany Harrison, Michelle Wilkinson, Denise Gallivan, Mark Stoerger, Joy Lewis, Donna Gallivan; Back Row: Eric Jarboe, Jon Lewis, Todd Thomas, Barb Gentry, Sharon Stoerger, Greg Whightsil, Marc Manint. **Bottom:** Juniors Tiffany, Michelle, and Barb sneak back to stage after a caffeine break.

IT WAS A TIME TO REMEMBER

After three year of hard work, the Junior class kicked up their heels in celebration as the 1987 Junior/Senior Prom came off without a hitch. The Regent in Savoy was the setting for the annual event held by the junior class. Over one hundred people attended Prom, making this one of the most successful years in BHS history. Billy Joel's hit ballad "This is the Time" was the theme, and indeed it was a time to remember for all who attended. Three hours of decorating transformed the mirrored banquet center into a blue and silver dream. Illinois Central, a local band, provided a mix of top 40's, country and oldies for dancing. Featured speakers for the evening were junior class officers Barb Gentry and Lori Bowen, and senior class officer Joy Lewis.

Afterprom followed last year's tradition and was once again held at the American Legion in Bement. This event was just as well attended as Prom, and the change to hard rock music was appreciated by those who donned more comfortable attire and danced the morning away.

The 1986 Bement Bulldogs: First Row, Manager Brian Lansford, Eric Jarboe, Charlie Koltveit, Chuck Spry, Billy Knowles, Pat Bowen, Alan Phipps, Steve Thompson, Robert Gulliford, Joe Van Vleet, and Gary Brennan. Second Row, Manager Shane Shumard, Jason Shonkwiler, Shannon Cheek, Bruce Zindars, Jon Lewis, Greg Whightsil, Chuck Slagle, Cory Shumard, Tom Montgomery, Eric Carney, and Manager Jim Fritz. Third Row, Rob Dodge, David Jamison, Chris Quick, Scott Lane, Pat Driscoll, Tim Walsh, and Todd Thomas. Back Row, Assistant Coach John Harshbarger, Tony Wildman, Tyler Morton, Mike Day, Rusty Hislope, Jeff Price, and Coach Jerry Lane.

BOYS "BLACK 'N' BLUE" FOES

The 1986 Bulldogs gave many teams black and blue bruises this season. The Bulldogs posted a 7-3 record after two losing seasons. The Bulldogs finished second in the conference behind 1986's state championships — the Arcola Purple Riders.

Coach Jerry Lane stated "The bulldogs were led by Seniors — Mike Day, Rusty Hislope, Tyler Morton, Jeff Price and Tony Wildman — whose leadership, experience, and dedication will be greatly missed." Senior Rusty Hislope said "I think this year's football season was a great success. We accomplished much more than we did last year. I really had a great time playing football this year."

The Bulldogs had many players named to the All-Conference Team. Tim Walsh, Pat Driscoll, Jeff Price and Scott Lane were named to the first team. Mike Day, Rusty Hislope, Tyler Morton and Todd Thomas were named to the second team while Jon Lewis was named to the honorable mention team. The Bulldogs will have 14 returning letter winners who will try to carry on a winning tradition at B.H.S.

JVERS MAKE ARTHUR SEE RED

The last game of the season turned out to be the best win of all. The JV beat Arthur's Knights 12-6, upsetting the only undefeated JV team in the conference.

The team's record could have been better in that there were at least 1 or 2 games it *should* have won; but they had some tough breaks. The JV's record was 3 wins, 2 losses in the LOVC and 4 wins, 4 losses overall.

There is definitely a good group of talented football players to work with for the next couple of years. The coaching staff feels very optimistic about these guys — they have the combination of good size and decent speed as well as good overall skill at key positions.

LADY BULLDOGS TAKE THEIR BUMPS

Coach Linda Taylor noted inconsistency as the main weakness in this year's 7-13 volleyball season. "There were only three seniors on the squad so our youth hurt us at times. Hopefully next year, the younger girls who played quite a bit will give us the consistency we need," stated Coach Taylor. Junior Michelle Wilkinson voiced this insight. " that when we were up, we played really well, but when we were down, we played terribly. We never had an in-between time."

At the Fall Awards Banquet, Alisa Fairbanks received the Bulldog Pride Award; Michelle Wilkinson, The MVP Award and Service Percentage Award; and Tyna Deffenbaugh received the Most Improved Award. An added bonus was Tyna Deffenbaugh receiving LOVC All-Conference Honorable Mention.

FUTURE LOOKS BRIGHT

The Junior Varsity Lady Bulldog Volleyball teamwork paid off with an 11-7 overall record and a 9-5 conference record — a big improvement over 1985 when the bumpers went 6-12. Five freshmen stepped in to give the team a big boost. Coach Linda Taylor felt the victories over Monticello, Arcola, Tuscola and Sullivan were the season's highlights. Freshman Lisa Hite was glad the freshmen saw a lot of playing time so they will be more experienced for next year's games.

Trixie Stoerger, leading scorer for the JV, stated, "I thought this season was great! We had a good time and won a lot of games, too. The teamwork was good; we pulled each other up when we got down."

CAGERS LOOK TO '88

The Varsity Bulldogs finished with a record of eleven wins and twelve losses. Their LOVC record was seven wins and seven losses placing them second in the conference.

At season's end, special awards were presented to Tim Walsh who was named First Team All Conference; Most Valuable Player, and Rebound Leader; Tim, a junior, as scored the most points. Junior Todd Thomas was named Second Team All Conference; and Senior Tyler Morton was the Assists Leader and had the best free-throw percentage. A reply from Todd about the season was, "The past two years we had losing records, but this year we went one under 500. It was a building year, and I look at next year as the Bulldogs being LOVC champs and winning the Regional."

Players who lettered were Tyler Morton, Todd Thomas, Tim Walsh, Scott Lane, Jeff Price, Shannon Cheek, and Curt Fogerson.

JV MAKES PROGRESS

Coach Harshbarger's prediction of basketball being on the upswing in Bement, was proven true as the junior varsity basketball team racked up more wins than losses. They finished the season with an 8-6 conference record and an 11-10 overall record.

Sophomore Cory Shumard gave this statement. "I thought that the J.V. Team made a lot of progress from last year. I think we had a successful season also. I felt all the players improved alot including the freshmen. Besides having a winning season, it was alot of fun. I think this year's J.V. Team having a successful season could be a hint of what might become a winning Varsity team." Curt Forgeron lead the team in field goals (97), total points 218, and recoveries. Cory Shumard was quick of hand with 27 steals. His freethrow shooting led the team with 68%. Freshman Chris Carver was impressive with 53% field goal and 58% freethrow averages. This year, as in the past, many of the freshman and sophomore players experienced playing time at both the varsity and junior varsity levels.

YOUNG TEAM GAINS EXPERIENCE

The Bement Varsity Lady Bulldogs ended the season with a 1-18 conference record and a 3-18 overall record. The team had only 4 returning letter women and 4 seniors to lead the team.

The girls want to improve their shooting percentages and ball handling skills. Sophomore Stephanie Jones states her feelings about the season. "We had to consider we were a young team playing against more experienced teams. I think if we work real hard over the summer, our basketball program could improve a great deal."

At the Award's Banquet the following awards were presented: Jeanniene McHale, Hustle Award; Michelle Wilkinson, Assist Leader; Stephanie Jones, Best Free-Throw Percentage, Rebound Leader, and MVP. Teammates included: Carol Knowles, Denise Gallivan, Patty Morris, Amy Cook, Tyna Deffenbaugh, Alisa Fairbanks, Julia Laroe, Tammy Mills, Kathy Hensley, and Laura Fuson.

Top Right: Senior Patty Morris shoots for two.

WINNING SEASON NEAR MISS

The junior varsity girls' basketball team had somewhat of a winning season. They had a 5-8 conference record and a 7-8 overall record. Sophomore Trixie Stoerger had this to say about the season, "This year's team showed a lot of improvement, and we worked well together. The freshmen were pretty impressive; we learned from them, and they learned from us. That made the team closer in the end."

The JV record did not show their true ability due to the fact that they lost two games in the final seconds.

"ON THE ROAD AGAIN" — TOGETHER

The 1987 BHS boys' and girls' track team seemed as though it would never get it pulled together; but as the season passed, members became a team. The team spent most of the time on the road; there was only one home meet. The boys' team was very young; they had few returning lettermen. Eventhough this was the case, many did well in individual events. Senior Rusty Hislope stated "we knew we were a small team, but we tried the best we could. We had fun." Rusty, the only senior on the team, earned several ribbons and medals during the season. Other members included Junior Tim Walsh. Sophomores: Jon Lewis, Tom Montgomery, Lonnie Ryherd, Jason Shonkwiler, Chuck Slagle, and Greg Whightsil. Freshmen: Shane Ater, Pat Bowen, Greg Buckner, Chris Carver, Robert Gulliford and Chuck Spry. For the girls, 1987 was a year for the individual. The team had several returning letter winners, and impressive freshmen. Freshmen Kathy Hensley and Cindy Stoerger, both placed first at the J.V. L.O.V.C. meet. Cindy also became the varsity champ in the 800 meter at the L.O.V.C. meet. Junior Tyna Deffenbaugh placed first in the high jump at L.O.V.C. At the sectional meet Tyna won the high jump and went on the place fifth at state. Jeanniene McHale place third in the 100 meter dash, and Barb Gentry placed third in the 100 meter dash, and Barb Gentry placed fourth in the long jump. The 800 medley team also placed fifth at the meet. Three members attended the Area Best meet, Cindy Stoerger, Barb Gentry and Tyna Deffenbaugh. Tyna placed first and set a new high school record of 5'4". Juniors: Lori Bowen, Tyna Deffenbaugh, Barb Gentry and Kim Nelson. Sophomores: Dawn Ellis, Wendy Foran, Stephanie Jones, Jeanniene McHale, and Trixie Stoerger. Freshmen: Kathy Hensley and Cindy Stoerger.

DOGS "SLAM" WAY TO BRIGHT SEASON

The Bulldogs consisted of two seniors, four juniors, and eight underclassmen. Despite the need for upperclassmen, the Bulldog sluggers wrapped up the season with a conference record of 8-2 and an overall record of 15-8. By claiming the best overall conference record, the Bulldogs became the LOVC Champions. To highlight this successful season, the Bulldogs set a school record consisting of fifteen wins. The team also won the first quarter-final game versus Monticello. "This is the first year we've ever won the first Quarter Final since we've been playing in the State Finals," commented Coach Jerry Lane.

SMALL SQUAD IMPROVES

The cheerleader squads were reduced in number to one. Last summer the cheerleaders attended the ICF Cheerleading Camp at Indiana University, Bloomington, Indiana. They received many ribbons and the Randy Neil Award for the most improved squad. The girls appreciated the help of their new sponsor Julie Heckert. The cheerleaders enjoyed cheering for the teams, and they hope to find more people interested in the years to come.
