Class of 2017

We are honored to be your parents and to have the privilege to watch grow into a remarkable young woman. Always follow your dreams and you will do wonderful things in your life. We are blessed more than we deserve to have you in our life. You have an amazingly bright future ahead of you.
Love, Mom and Dad

Your smile and your grace brighten everyone in the place.

Happy Graduation 2017

Zacary, may these words take you to Infinity and Beyond. There might be times through the next years when you will have to sit down in your thinking chair and Think, Think, Think. Remember, Do. Or do not. There is no try, and your focus determines your reality. There will be people where you think, what an idiot, and others that are brilliant. You may want to be someone else, something else but always be true to yourself. And above all, May the Force be with you, and Life long and prosper.

Can you guess which senior is which?

It is our goal to give fair and equal coverage to all aspects of school life. There are, however, some things over which we have little or no control, including pictures that don't turn out, changed or canceled dates, students who left or enrolled late after pages have been submitted to the publisher, and students who miss both picture days due to absences.

Consequently, any omissions or errors are purely accidental and are in no way intentional on the part of the yearbook staff, the advisor, or the publisher. Every page is proofread before being sent to the publisher. We are sorry for any misspelled words or names, missing punctuation, or inaccurate credits in photo captions. We offer our apologies to anyone affected.
