

# Bement Public Library District Flora and Fauna Photo Scavenger Hunt

August 2-13, 2021

## Rules:

1. Register your participation by emailing us your name and address at: [bementpubliclibrary@gmail.com](mailto:bementpubliclibrary@gmail.com) or signing up in person at the library. You must register by August 6 to ensure we have enough prizes.
2. Obtain the checklist: these are available at JTA, at the library desk, via the library website ([www.bementpubliclibrary.net](http://www.bementpubliclibrary.net)) or on the library's Facebook page.
3. Go through the checklist and take a 'selfie' with you and the plant or animal listed. You MUST appear in the picture too, and the plant or animal must be identifiable.
3. Submit your pictures with a description (accuracy matters, so be sure you label the picture with the correct species) of each picture. These can be submitted as .jpg via email ([bementpubliclibrary@gmail.com](mailto:bementpubliclibrary@gmail.com)) or on a thumb drive in person.
4. All submissions are due by midnight, August 13 (they must have a date/time stamp by that time).
5. Winners will be announced by the end of business (8 pm) on Monday, August 16. You can pick up your prizes thereafter at the library.
6. In the event of a tie, the earliest, most accurate entries will win (so time is a factor).
7. You can come in and consult the charts and reference books here in the library. The staff will be glad to assist you, but will not give you answers.

## Prizes:

JTA has graciously agreed to award prizes for the following:

1. \$20 gift certificate for the Overall Winner--most correct entries. (If a tie occurs, the winner will be determined by date and time stamp of entry.)
2. \$10 gift certificate for the Most Rare or Exotic Find.
3. \$10 gift certificate for the Best Selfie (creativity counts).
4. A free cone for participation (must have a valid entry).
