

Dear Neighboring Business Owner,

Step into a world of Music, Art, and Culture at Into the Pines Music Festival, held at Paradise Lakes Campground located in Hammonton NJ taking place August 22-24th 2024.

Into The Pines Festival offers a unique experience that combines Music, Art, Culture. John Facchinei, founder of Into The Pines Music Festival, has been joyfully promoting music festivals in the local area for the last 20 years and aims to bring the local community together while reaching people far and wide by providing a 3 day weekend of great music and atmosphere in the outdoors of the NJ Pine Barrens.

Into the Pines Music Festival offers a diverse array of music like bluegrass, funk, jam bands, blues, brass and so much more, hosting a combination of national and local touring bands.

Aiming to support our community by giving a platform to local musicians and aspiring artists looking to emerge into the mainstream music and art scene.

From our kid friendly campout corner, geared with family activities to our intimate adult atmosphere filled with great food and a variety of the creative and healing art workshops. We pride ourselves in creating and cultivating a safe place for all people to come together, meet up with old friends while making new friends all in an enjoyable experience of Music, Art and Culture.

Into the Pine Music Festival couldn't create this experience and do the work we do without the help from generous people and local businesses like you. With the first inaugural event in "23" off to a great start and a growing instagram following and highly visited website with over 30,000 hits a month leading up to the Festival, we are estimating to double those numbers in our upcoming 2024 event.

Sponsorship Packages

Into the Pines Music Festival is looking for sponsors to help with our upcoming event and we have a selection of exciting offers and plenty of ways for you to be involved
