Private Parties ~ Special Events ~ Menu

Thank you for thinking of Little Gem and Encore! for your special event.

Hi my name is Judith, My team and I can Help you with all aspects of party planning Including Themed Events, Decor, Flowers Special Touches, Food, Drinks and Music.

In an email please describe exactly what you would like to see included in your party. Then give me an idea of your budget and I will work my magic to produce something very special.

Build your own menu by checking the Item boxes below. Items are market price and can depend on seasonal availability. Chef will figure out the right quantity based on your details and number of guests.

Once we have your selections we will call and email a party package proposal that includes all party details and pricing.

If everything looks good with your party package you can sign off on the contract and return it to us with a 50% deposit that then secures the date and arrangements.

We accept Cash, Cheques or Zelle Online. A 3% Third Party Processing Fee is added to Credit Cards. The Final Balance is then Due 3 Business Days Before An Event.
