September 23, 2026

Aloha Aiea Na Ali'i Athletics Supporter,

On behalf of the Aiea High School Athletics Boosters, we hope this message finds you well. We are reaching out to share an exciting update on our campaign to support our student-athletes and school community.

Aiea High School remains deeply committed to fostering excellence in health, academics, leadership, and athletics. Our new, state-of-the-art Training Center—six years in the making—is now open and actively serving our 50 athletic teams across 25 different sports! Thanks to the incredible generosity of our community, we successfully acquired and installed our first-class, custom-branded Hele Fitness strength and conditioning equipment, transformed the flooring, and set up our dedicated training space.

However, **we are currently just \$35,000 away from fully reaching our \$115,000 goal** to complete the entire vision for our student-athletes.

While the weight room equipment is in place, we urgently need to cross the finish line to fully outfit our athletic training room and concession area. These vital spaces require key operational essentials, including:

- **Athletic Training Room Equipment:** Taping tables, commercial ice machines, and specialized injury rehabilitation equipment.
- **Concession & Facility Essentials:** Outfitting the community concession area to support long-term booster fundraising and team operations.

Your contribution today directly impacts our students by ensuring they have complete access to essential injury prevention, rehabilitation, and athletic training resources.

How Your Support Helps

- **Provide Equitable Access:** Delivers top-tier fitness, injury recovery, and athletic resources for all 50 teams.
- **Prioritize Athlete Safety:** Equips our certified trainers with proper rehab and taping facilities to keep athletes safe and healthy.
- **Build Community Pride:** Strengthens character development, school spirit, and lifelong health habits across our entire Aiea community.

How to Donate & Donor Recognition

The fastest and most efficient way to make your tax-deductible gift is online:

1. Visit www.aieaathletics.com and click on the donation link.
2. **Select the no-fee option** during checkout so 100% of your donation goes directly to our student-athletes.
3. Receive an **instant tax-deductible receipt** sent straight to your email.
4. **Earn Airline Miles** by using your credit card!

Prefer to pay by check? Checks can be made payable to: **Aiea Athletics Boosters**

To show our gratitude, all gifts will be permanently honored on our recognition wall located within the new facility (weight room and concession area). Sponsorship and donation plaques are available for all contributions of \$500 or more.

We humbly ask for your partnership in closing this final \$15,000 gap. Together, we can complete this project and invest

in the next generation of Na Ali'i leaders—on and off the field.

Mahalo nui loa for your continued support and generosity. Please feel free to reach out to Athletic Director David Lane with any questions or to discuss giving options.

With gratitude and respect,

Aiea Athletics Boosters
