Aloha Aiea Na Ali'i Athletics Supporter,

On behalf of Aiea High School Athletics Boosters, we hope this message finds you well. We are reaching out to invite you to partner with us in a meaningful opportunity to support our student-athletes and entire school community.

Aiea High School is committed to fostering excellence in health, academics, leadership, and athletics. To continue nurturing strong, motivated, and responsible student-leaders, we are upgrading our weight room and training facilities. This space serves our athletic teams exclusively for our 50 athletics teams covering 25 different sports.

To complete this initiative, we are seeking donations to support the purchase of weight room equipment— including strength training racks, free weights, flooring, conditioning equipment, and safety upgrades. Your contribution will directly impact our students by helping create a safe, modern, and inspiring training environment.

With your generosity,

- We can provide equitable access to fitness and training resources
- Support student-athlete development and injury prevention
- Promote lifelong health and character development
- Build pride and spirit within our Aiea community

We are, however, **in a serious time crunch**. The long awaited Training Center (six years in construction) is nearing completion and we have received a generous offering to fill our brand new weightroom with first class equipment branded with the Aiea logo at a cost of \$95,000 (which was \$25,000 lower than the next estimate) from Hele Fitness. The equipment is on-island and the weightroom space is set to be released and fire-coded by mid-December. We also need to provide equipment to our athletic training room and concession area. While exquisitely designed, it does not come with necessary items such as taping tables, ice machines, and injury rehabilitation equipment. Our goal in this initial fundraising effort is to raise \$150,000. We are also planning an Annual Dinner for mid 2026 to celebrate!

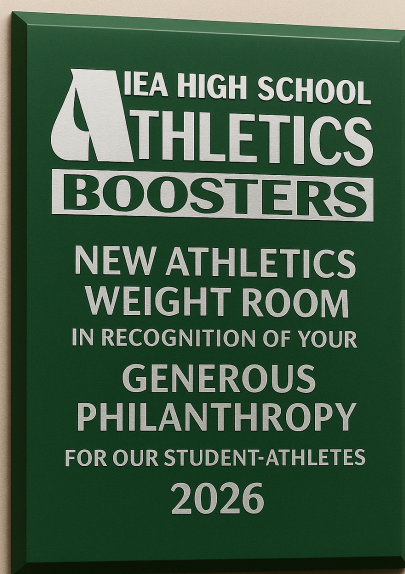

Various donor recognition opportunities are available, and all gifts will be honored on a recognition wall within the facility (weightroom and concession area). Please see attached page showing sponsorship and donation plaques for all donations of over \$500 as well as the artist rendering of the recognition walls. Checks can be made out to Aiea Athletics Boosters.

We humbly ask for your support in strengthening the future of Aiea's students. Together, we can invest in the next generation of leaders—on and off the field. Mahalo nui loa for considering this meaningful partnership. Please feel free to contact David Lane (AD) with any questions or to discuss giving options.

With gratitude and respect,

Aiea Athletics Boosters
