

WEDDING INFO

Sweetz can provide a variety of services for weddings including multi-tiered wedding cakes, wedding cupcakes, combo cutting cakes and cupcakes, and single serving desserts. Visit our Cupcakes tab on our web site for detailed info about cupcakes. Visit our Catering tab for detailed info about catering items.

Wedding cakes consist of 4 layers of cake and 3 layers of filling. Pricing is based on the amount of servings, cake flavors and fillings, and decorations desired. Base pricing begin at \$7.40 per serving. Additional costs will apply for gluten free cakes, vegan cakes, and other items such as flowers and elaborate decorations. Visit our cake section on our web site for pricing. Please note any cupcake flavor can be translated into a cake.

Wedding cupcakes are priced by the cupcake. Base pricing begins at \$3.80 per regular cupcake and \$4.80 per gluten free dairy free or vegan cupcake. There will be one free cupcake for each dozen cupcake ordered (credit of \$3.80). See our cupcake section on our web site for flavor selections. Please note any cake can be translated into a cupcake.

An assortment of single serving sized desserts is available. Visit our catering tab to see selections available. Flavors are not listed for these items because flavors can vary and custom as needed.

A tiered cupcake stand is also available for rent. The cost is \$85 if the stand is returned to us. If we need to return to pick up the stand, the cost is \$125. The stand can be configured to accommodate approximately 30 cupcakes at a minimum and up to 185 cupcakes at a maximum. The edges of each tier of the cupcake stand are finished with colored ribbons. We have various colors available. Please inquire if interested.

Delivery costs are based on delivery distance and set up costs are custom priced based on the wedding size and time estimated to set up the cupcakes.

Cake Tastings:

Our cupcakes are good representations of our cake and frosting flavors and work well as tasting samples. Sweetz may provide a tasting certificate depending on the size of the wedding, location of the venue, and date.

To see if you qualify for a tasting certificate, please email sweetzbakery@aol.com with the following information:

- 1) Wedding Date**
- 2) Wedding Venue**
- 3) Approximate guest count**
- 4) What you plan to purchase--tiered wedding cake, cutting cake and cupcakes, or only cupcakes.**

If you qualify for a certificate, we will email the tasting certificate for use any time our bakery is open. We do not need to be present for your tasting. Qualification depends on wedding size, whether the wedding date is available, and wedding location.

If you would like to work with Sweetz after the tasting, please email your completed questionnaire to begin the quote process. You can download the questionnaire in the link at the top of the page. Wedding consultations are done by appointment only.
