# LEIGHTON LASHES

## Eyelash Lift & Tint

### ***Before your appointment:***

Please come with clean eyelashes, free of eye makeup, mascara and contact lenses removed.

Please don't consume coffee before your appointment as caffeine can effect your eye movements making it harder to position your eyelashes perfectly.

If you would like to listen to a podcast please feel free to bring your AirPods/headphones.

### ***After your appointment:***

Keep your eyelashes dry and avoid steam and sweat for the first 24 hours (including showers, baths, swimming, steam rooms and saunas).

Brush eyelashes daily (an eyelash brush will be provided at all your appointments).

Do not use waterproof mascara or oil based products on your eyelashes.

Wash your eyelashes with a gentle foaming cleanser.

Do not rub, pick or pull at your eyelashes.

Lash Lift & Tints can be scheduled every 6-8 weeks, or once lashes are no longer curled.
