

Welcome to....

LEIGHTON LASHES

Eyelash Tinting

Before your appointment:

Please come with clean eyelashes, free of eye makeup, mascara and contact lenses removed.

Please don't consume coffee before your appointment as caffeine can effect your eye movements making it harder to apply the eyelash tint.

If you would like to listen to a podcast please feel free to bring your AirPods/headphones.

After your appointment:

Keep your eyelashes dry and avoid steam and sweat for the first 24 hours (including showers, baths, steam rooms and saunas).

Brush eyelashes daily (an eyelash brush will be provided at your initial appointment).

Do not use waterproof mascara or oil based products on your eyelashes to prolong the colour

Wash your eyelashes with a gentle foaming cleanser.

Do not rub, pick or pull at your eyelashes.

Eyelash tints can be scheduled every 4 weeks.
