Our July Mission March, which will be taken during the first hymn on Sunday July 14, 2024, will go to apportionments. Apportionments are the share each annual conference or local church pays to support international, national, and local missions.

We're thrilled to announce that the Nominations and Leadership Development Committee is actively seeking individuals to fill key positions within our church council. This is your chance to make a meaningful impact and contribute to our vibrant community. The positions available are:

- **Financial Chair:** A crucial role responsible for overseeing the financial management of our church, ensuring transparency and wise stewardship.
- **Stewardship Chair:** Join us in promoting a culture of generosity and responsible resource management within our congregation. Help us nurture a spirit of giving and support for our community's needs.
- **Staff-Parish Relations Chair:** Facilitate effective communication and collaboration between our dedicated staff and our congregation. Your role will help foster a harmonious and supportive work environment.

If any of these positions pique your interest or if you'd like to learn more about them, we encourage you to reach out to Pastor Mark. He will gladly provide you with additional information and guide you through the exciting opportunities that await you. Don't miss out on this chance to play an essential role in shaping the future of our church!
