This lent we will have a soup supper Bible study! We'll gather together every Wednesday at 6pm to share in fellowship and study scripture. We'll specifically look at the Psalms and see points within the psalms that anticipate and declare Jesus Christ! It'll be a great time so please join us as we continue this Bible study on Wednesdays, March 6, March 13, and March 27 at 6pm in the fellowship hall. All are welcome!

Get Ready For Summer Camp!

Camp Minnesota, a summer camp ministry of the Minnesota Conference of the United Methodist

Why camp? Why Camp Minnesota? Camp plays a vital part in a child's development and education. Camp Minnesota events invite campers to develop a deeper connection with God. Registration is simple, and there are multiple ways to sign up for camp at www.caompmnnesota.org/howtoregister. Camperships are available at our church.

March Food Share Month

2024 marks the 43rd anniversary of the Minnesota Food Share program which began in 1982. Once again this year we will participate by making cash donations with our Mission March on Sunday, March 10th being dedicated to the Annandale Area Food Shelf. You have heard many times that our financial donations have a greater impact than the food items you might buy in the store because food shelves have discount purchasing programs that stretch their money two to three times further. We are very fortunate to have such a robust food shelf here in the Annandale area helping those who lack food security, especially during these times of climbing food prices when more and more people turn to the food shelf to feed their families.

Thanks for your support,
