

Re: Megan Gawley, Letter of Reference

To whom it may concern,

It is my pleasure to provide a letter of reference for Megan Gawley. I have been coaching Megan through Top Prospects Goaltending for almost four years and in that time, I can truly not think of a more dedicated and hard-working goaltender that I have worked with.

As a goaltender Megan is calm, technically sound, has a very high Hockey IQ, and above all, she never gives up. She is the type of goaltender who ends each session the way she starts it: with consistent attention to detail, speed, tempo, and high compete level.

Not only does Megan come to each session ready and determined to work, but she also comes to each session with a smile on her face (especially after she makes a nice save against me in our drills!). Megan genuinely loves the sport and enjoys all that it means to be a high-level goaltender. She loves to be challenged and is always open to trying new things to see how she can improve her game on a daily basis.

Many of the qualities that make Megan a great goaltender also carry over into her demeanor off the ice. Megan is happy and personable, and her positive attitude and hard work ethic motivates those around her to also be better.

In my extensive hockey experience playing and coaching at elite levels, I believe Megan has the skills, qualities, and determination to be a high-performing student-athlete at the collegiate level. I'm excited to continue to work with Megan to watch her athletic career progress and will be cheering her on every step of the way.

If you wish to contact me further regarding Megan, please do not hesitate to reach me via email.

Sincerely,

**Katie Greenway**
