

To Whom It May Concern,

I am delighted to recommend Megan Gawley for the position of Youth Hockey Coach. Over the last year at Calgary Fire, Megan has exhibited exceptional coaching skills, a deep understanding of the game, and an unwavering commitment to the development of our goalie Alex. She effectively communicates and connects with young goalies, fostering a positive and competitive environment that promotes both individual and team growth. Her ability to break down complex goalie positioning concepts into easily understandable lessons, combined with her dedication to each player's improvement, has significantly contributed to our team's success. Beyond her technical expertise, Megs instills valuable life skills such as work ethic, discipline, and perseverance, making her an invaluable mentor both on and off the ice. I am confident that Megs will continue to inspire and positively impact young athletes in any coaching role she undertakes.

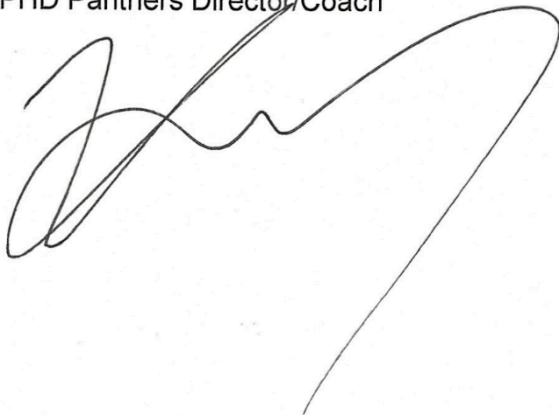

On a more personal level, Megs is a very calm, approachable, and understanding person that makes trust among the girls extremely comfortable. Alex and her teammates knew they could talk openly with her and knew she had their best interest at heart. As her coach lead, she always was willing to listen when I gave a recommendation for what we needed to improve on, and successfully implemented it. She's a great kid, and I wholeheartedly give my recommendation for any position available in your organization. Feel free to reach out to me anytime to discuss more if needed.

Sincerely,
