PTA Newsletter

Fall 2021

Hello LME Families,

This year has been different for all of us in so many ways, and we'd like to take a moment to update everyone on PTA activities. At the start of the school year, we sent out a calendar of proposed events as well as volunteer recruitment forms to carry out our planned events. We had a wonderful response by so many parents and family members willing to volunteer, which is why we are so fortunate to be a part of this wonderful community.

As this school year has progressed, the PTA has made changes to the events we planned in accordance with evolving health & safety guidelines. Although PTA is not governed by the school district, we exist to support LME and therefore we adhere to the rules and guidelines of the school administration & the district in the best interest of our students and families. Our PTA board is discussing alternative options for programs and fundraisers and hope to have an update for families on how we propose to change our activities once we have all the necessary information and approvals in place.

We are so glad to have the support and involvement of our families, and look forward to the days when we can resume community events. Until then, we can safely enjoy the activities remaining on our calendar, as well as more events to come. Happy Fall Y'all!
