## Direct Donation Drive

### Why does the PTA need my help?

The PTA funds an important variety of enriching programs and events that benefit our children, school and community. With your donation, we can continue to provide them!

### How much should I donate?

No amount is too small or too big! With over 750 students, we are asking every family to give as much as they can to support the school. Without your donation we can't continue to support all the programs we have in the past.

### How do I donate?

Add a donation when you renew or establish a PTA membership or scan this QR code with your smartphone:

### Why a Direct Donation Drive?

Direct donation gets more money to our school and allows your money to work harder for our students. 100% of your donation goes directly to the school and is 100% tax deductible!

### Where does the money go?

Your donation not only supports the wonderful programs, events and field trips that the PTA sponsors, but also goes directly to support the students. Last year, even while adapting to pandemic limitations, the PTA was able to spend over \$13,000 for a library remodel and \$4,000 in gifts and books for students. This is all possible because of the strong support of Lake Mathews Elementary families.
