Zum & Zack

SYNOPSIS:

BIG IMAGINATION INTO SMALL BODIES!

Reality may get hard, but what is the possibility of running away? Imagination can be a solution to start a new reality? ZUM and ZACK are two kids who are living in the same building, they have different realities and imaginations. They get along discovering their friendship through difficulties that come their way. Let us live their journey together with them.

Based on the story of “Mafalda Lopes”
