▶ Door Style and Drawer Front Options

Aspect door styles are available in American Poplar, Maple, Oak or Painted finishes and as traditional or full overlay. Door styles are available with a traditional slab style drawer front with matching door edge profiles, shaped slab drawer fronts or matching five-piece drawer fronts. The Sculpted, Square Raised and Oxford Panel shaped drawer fronts feature a more decorative profile that will not match the door edge profiles exactly. For an appearance similar to the door style, choose the matching five-piece drawer front with matching edge profile.

▼ Glazes on Stained Finishes

Aspect Cabinetry is available with three glaze colors on most finishes in Oak, American Poplar and Maple. All of the glazes are available on any of Aspect's door styles. Glaze will be left in profiles of doors, drawer fronts, and some mouldings where glaze hang-up is possible. Glaze will appear differently or not at all, depending on the style and edge profiles. Please see an actual sample before making your final selection.
