GENERAL RULES

- One Del card per team is mandatory for enrolling the team.
- Minimum number of players - 9.
- Maximum number of players - 12.
- Kabaddi tournament for both men and women will be conducted in knockout format.
- All players should be currently registered and studying in the same college.
- All players must carry valid ID-card before start of every match.
- It's mandatory for every participant of every team to carry an institute ID card for verification.
- In case an objection on the ID card arises, the participant has to produce a fee payment receipt / college mark sheet (online) within 2 hours.
- Teams may have to play more than one match on single day.

GENERAL RULES

- If the teams fail to report even after 10 minutes of the scheduled time, the officials have the authority to give the opposite team a walkover over the late comer
- If any team walks out of court during the playtime, that team will immediately be disqualified from tournament.
- Teams are liable to disqualification against breach of disciplinary conduct if players/management is involved in illegal activities as per institute norms in AIIMS Raipur.
- In case of any disputes decision will be made by the jury consisting of sports Secretary of students, sports committee and the referee.

RULES OF PLAY

- The tournament will be conducted according to the International Kabaddi Federation Rules as adopted from time to time by the Indian Kabaddi Federation, unless otherwise modified.
- Each team contains 7 players each with 3 players in reserve.
- Toss of coin to decide which team will go first.
- If your team goes first, send a “raider” across the midline. If he stops yelling or takes a breath on the opponent’s side of the court, even momentarily, he must return to his own side of the court, scoring no points. In this case, one point is awarded to the defending team for a successful play.
- The two teams alternate between raiding and defending for two halves of twenty minutes each (with a five-minute break between halves.)
- After halftime, the two teams switch sides of the court.

RULES OF PLAY

KURUKSHEETRA

- The team with the most points at the end of the game wins!
- Send players out when they are tagged, captured, or break a rule.
- In Kabaddi, players can be temporarily sent “out” of play for a variety of reasons. If this happens, they may not be replaced by players in reserve, substitutions are only made for players who are not out. Below is a list of circumstances in which a player may be sent out.
 - If the raider tags any defending players and makes it back to his side, the players he tagged are out.
 - If a raider is captured and cannot pass back over the midline before he runs out of breath, he is out.
 - If any player (raiding or defending) steps outside the boundary lines, he is out (unless he was deliberately pulled or shoved, in which case, the offending player is out.)

RULES OF PLAY

KURUKSHEETRA

- If a team has three unproductive raids in a row, the third raider is out. An unproductive raid occurs when a raider cannot score any points (or loses points) during a raid. However, if a raider can cross the baulk line and return to his side of the court, the raid counts as a successful one even if he doesn't tag anyone.
- If a defending team member enters the raider's side of the court before his team is officially given the chance to raid, he is out.
- "Revive" players by getting an opponent out. Whenever your team gets a member of the opponent team out, you have a chance to bring back (or "revive") someone on your team who has previously been ruled out.
- This is true for both raiding and defending teams.
- Players are revived in the order they were gotten out, bringing back players out of order results in a point for the other team.

RULES OF PLAY

- Score a “Lona” by getting the entire other team out. If you can get the entire other team out at once for any combination of reasons and none of their players are eligible for revival, your team scores a “Lona” (two extra points for that play.) When this happens, the entire opposing team is revived.

Violations

- Below is the list of offences that can earn the opposing team penalty
- If a raider says anything besides the pre-approved “Kabaddi” chant while he is raiding, the raid is over and the defending team gets a point plus the chance to raid (but the raider is not out.)
- If the raider starts his chant late (in other words, after he crosses the midline), the raid is over and the defending team gets a point plus the chance to raid (but, again, the raider is not out.)
- If a raider goes out of order, the defending team gets a point and the raid is over.

RULES OF PLAY

- If more than one raider enters the opponent's court at once, the raid is over and the defending team gets a point.
- If any defenders enter the raider's side of the court before it is their turn to raid, each defender that does so earns a point for the other team.
- If after a Lona, the wiped-out team doesn't return its revived players back to the field within ten seconds, the opposing team earns one point.

NOTE-

- If less than 6 teams are participating, then the event will get cancelled.

MODEL UNITED NATIONS

WHAT IS ARMUN?

“

The AIIMS Raipur Model United Nations (ARMUN) marks our college's first-ever MUN conference, proudly organized by Papyrus—the Literary Society of AIIMS Raipur, as part of Oriana, our annual college fest.

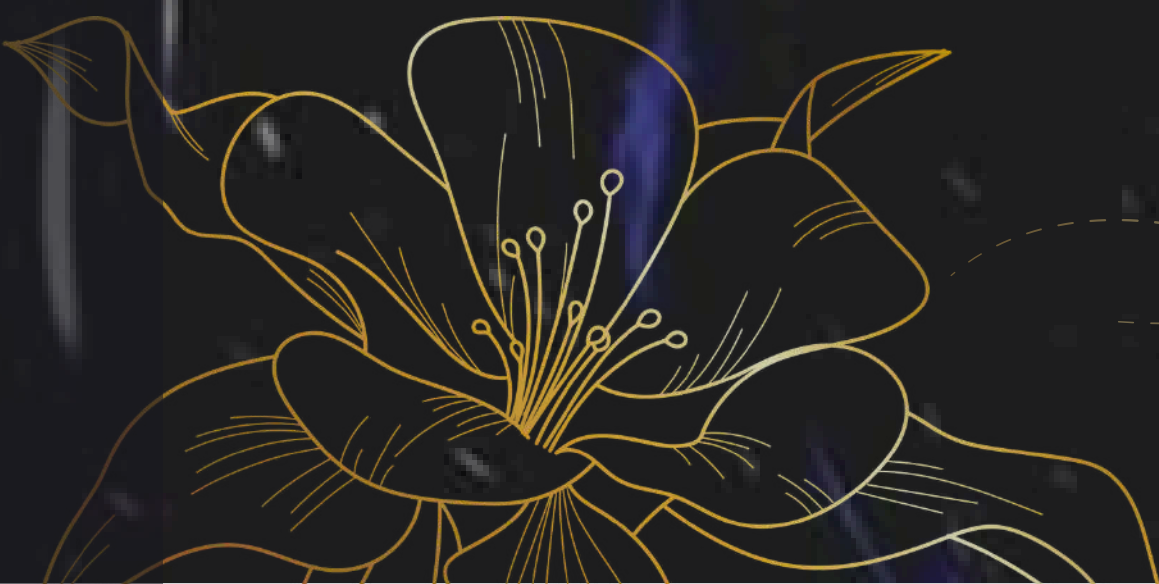

MUN is a platform where students simulate the workings of the United Nations. Each delegate is assigned a nation and a committee, along with a specific agenda. Before the conference, they research their country's stance and prepare position papers outlining possible solutions.

During the sessions, delegates present speeches, engage in moderated and unmoderated caucuses (formal and informal debates), and draft resolutions in collaboration with others. These resolutions mirror the decision-making processes of the real UN, aiming to reach consensus through negotiation and compromise.

MUN not only enhances public speaking, research, and leadership skills but also cultivates empathy and a global perspective—making it an enriching experience for all participants.

COMMITTEES

**United Nations General Assembly -
Disarmament and International
Security Committee (UNGA-DISEC)**

Discusses major international issues and drafts resolutions through global diplomacy.

**United Nations Human Rights Council
(UNHRC)**

Focuses on human rights, equality, and humanitarian concerns worldwide.

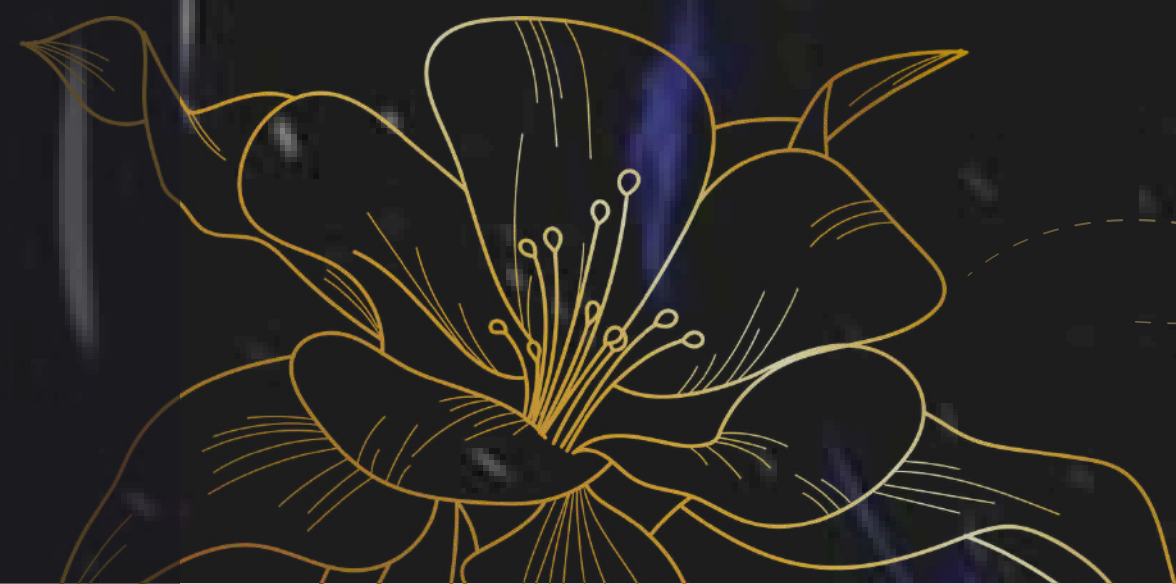

**All India Political Parties Meet
(AIPPM)**

Simulates Indian politics — debates, alliances, and national policymaking.

**International Press Corps
(IPC)**

Report, analyze, and document the debates that shape history.

UNGA-DISEC

Agenda: Promoting the Global Culture of Disarmament as a Means to Achieve International Peace and Security

The agenda underscores the pressing need to reshape global attitudes toward militarization and conflict. In an era marked by rising geopolitical tensions and unprecedented arms accumulation, the call for disarmament stands as a beacon of collective responsibility. The unchecked spread of weapons not only endangers global stability but also diverts vital resources away from humanitarian and developmental priorities.

A culture of disarmament encourages dialogue, cooperation, and mutual respect among states, fostering an environment where diplomacy prevails over deterrence. Through transparent treaties, responsible defense policies, and international collaboration, the world can move towards collective security. By embracing disarmament as a shared responsibility, nations can promote lasting peace, protect human dignity, and ensure a safer future for generations to come.

L I T T E R A R Y

UNHRC

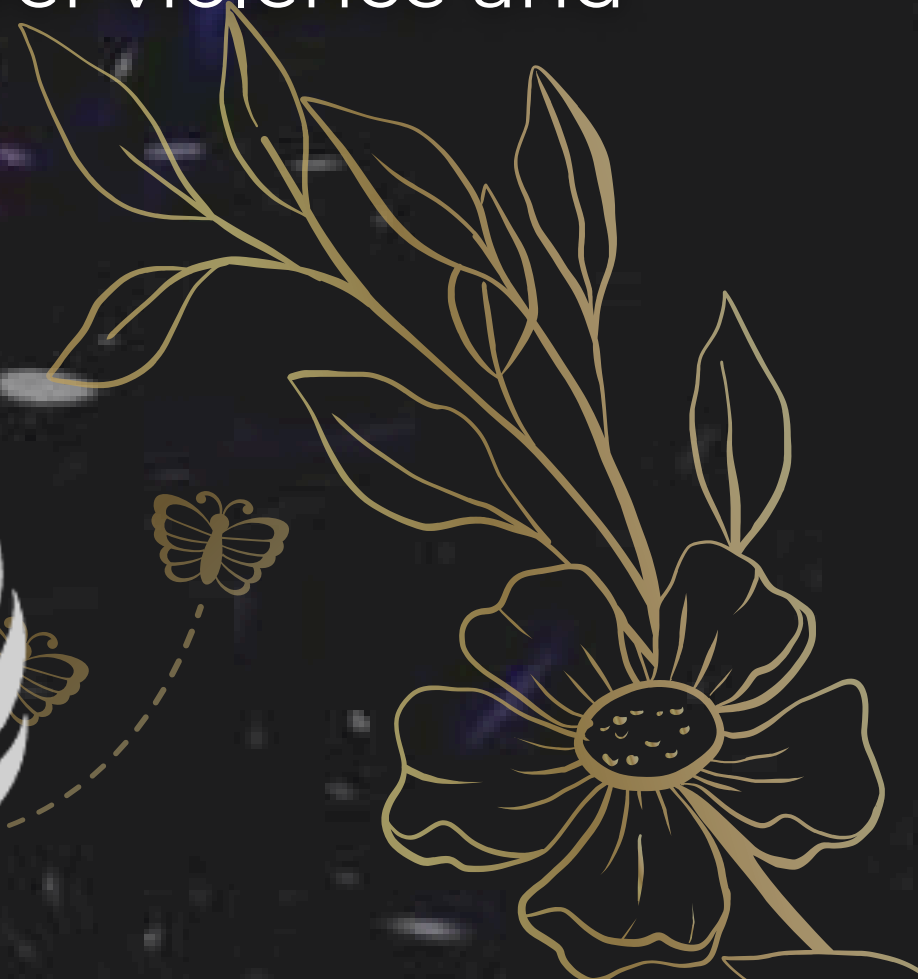

Agenda: Ensuring Accountability for Human Rights Violations Against Women and Children in Conflict Zones

The agenda emphasizes the urgent need to protect the most vulnerable in times of war and instability. Armed conflicts continue to expose women and children to violence, exploitation, and displacement, often leaving them without access to justice or redress. These atrocities erode the very foundation of human dignity and international law.

A collective global response is essential to strengthen accountability mechanisms, enforce humanitarian laws, and ensure that perpetrators face consequences for their actions. Promoting gender-sensitive policies, rehabilitation frameworks, and victim-centered justice can empower survivors and restore faith in international institutions. Through coordinated action, transparency, and compassion, the global community can reaffirm its commitment to human rights and work toward a world where peace and protection prevail over violence and impunity.

AIPPM

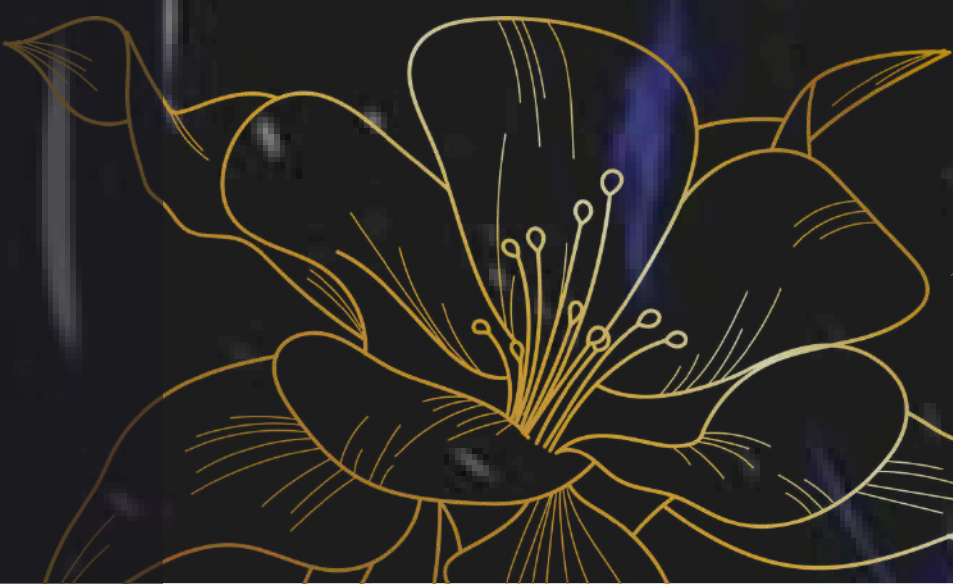

Agenda: Mitigating the propagation of misinformation and hate speech on digital platforms

The agenda addresses one of the most pressing challenges in modern Indian democracy — the unchecked spread of false information and divisive content online. The rise of digital media has revolutionized communication but also enabled the rapid dissemination of misleading narratives, fake news, and inflammatory rhetoric. These trends threaten social harmony, distort public discourse, and undermine citizens' trust in democratic institutions.

A comprehensive approach is needed to balance freedom of expression with accountability and digital responsibility. This involves strengthening fact-checking mechanisms, promoting digital literacy, enforcing transparent platform regulations, and encouraging ethical media practices. By fostering a culture of informed dialogue and responsible online engagement, the nation can safeguard democratic values, ensure social cohesion, and uphold the integrity of public communication.

L I T E R A R Y

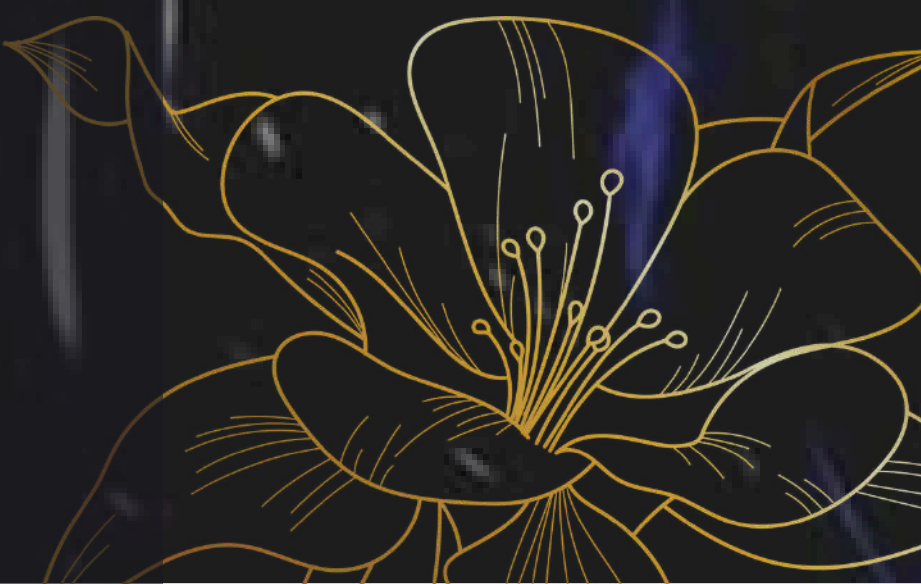

IPC

The International Press Corps (IPC) serves as the vigilant eye of the conference — capturing the essence of diplomacy, debate, and decision-making. It embodies the spirit of free expression and critical inquiry, ensuring that every voice, argument, and resolution is faithfully recorded for posterity.

Comprising skilled journalists, and photographers, the IPC is entrusted with gathering information, conducting interviews, and producing compelling articles and reports that chronicle the proceedings of each committee. By presenting balanced perspectives and insightful analyses, the corps not only informs but also shapes how the narrative of global diplomacy is remembered. Through its dedication to truth and clarity, the International Press Corps stands as a pillar of accountability and transparency within the Model United Nations.

L I T T E R A R Y
