There are no qualifications necessary to be placed on the Interest List. Those individuals that submit an interest list will be informed via e-mail of when the Waitlist will be open for this property. This Interest List is not a rental application for the property. Please keep in mind that if you complete an interest list, you will still have to complete a Waitlist Application (when available) and a Rental Application (once available). If you choose not to be placed on the Interest List to be contacted via e-mail, you may keep checking back on the website for information as to when the Waitlist will be open.
