

हर देश की शान, उसकी सांस्कृति उड़ान
A nation's pride is in its cultural stride

06 Sept 2018

APPRECIATION OF "INDIAN CLASSICAL MUSIC" AMONGST YOUTH
(When India has the largest population with 365 million young torch bearer of the nation)

Respected Sir/Madam,

1. During my Sr.Secondary days I had approached various organisations and the prestigious DU, so as to allow me to interact with my decade long aesthetic learning of our quaint yet most effective *guru shishya parampara* for garnering the above slogan "a nation's pride is in its cultural stride". Then all college heads in unison encouraged me to join college with DU instead and be a part of them to see through it happen.
2. With such wishes, as of now I am a 1st year undergraduate at **Hindu College, Delhi**. Thus as an onus I am striving to take a small step to infuse calling for "Indian Classical Music" amongst us youth. In this aspect as I am privileged to be slotted for a solo at '**India International Centre, Delhi**' **7.00pm on 20 Sep 2018**. Hence with this communion I am wholeheartedly with lots of expectations requesting-
 - (a) Your kind self or your representative's gracious presence at the occasion for the yeoman cause.
 - (b) To invite as many connoisseurs, regular/music students and those from various societies to grace it to collectively take it further.
 - (c) To support this venture and allow publicise it via your digital, print media / notice board as may be feasible.

Yours Sincerely
(Anisha Rana)
