YOUR STYLIST

Corinne Demetrius

Corinne has been styling events in Canberra and surrounding regions since 2018.

The business was created after styling her own Southern Highlands Wedding with Hubby Aaron.

Each event is created with attention to detail and years of experience to ensure you, your spouse & your guests share a unique and special experience. Corinne has a passion for design, an eye for detail and a very organised (could call it OCD) standard. This combination is perfect for a stylist
