SPONSORS

The Beginning...

Our family has delivered love bags to individuals we see on the streets for five years. They are hungry, thirsty, and need support and hope.

It has filled our spirits with joy as these bags are always humbly and graciously accepted. We have desired to reach more people and offer greater hope into the lives of the growing population of those in need, and that is how we birthed Hope in Motion.

In 2019, our family hosted a Christmas dinner for many who would have otherwise been alone or without food for the holiday. The pure joy in a room filled with a non-judgmental community was astounding! Through the great works and community relationships, Hope in Motion intends to make this and other holidays an annual tradition called Holidays of Hope.

Our Blessing

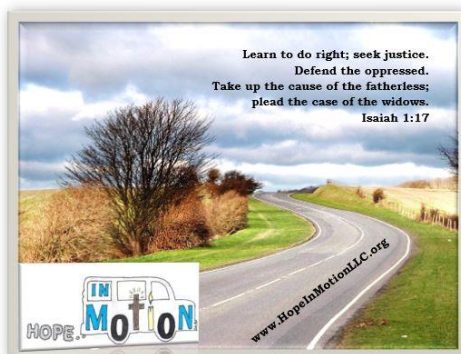

We encounter some of the kindest and grateful individuals on the road. Some have made decisions that drove them down the wrong path and have lost hope to find a way back into a prosperous life.

Many are our country's veterans who deserve our encouragement and support back into civilian life.

Regardless of their story and past, we know that God loves all people, and so do we. We choose to go where they are, seek out those who need help, and offer basic needs and resources to get the help that can change their future.

**Won't you consider helping us fund our street ministry that will bring more light
into the ever-darkening days of our world?**

Who knows how far we can drive hope with the prayers and donations from others like you!
