Announcement

Christmas is right around the corner!

We seek corporate partnerships and donations to make this Christmas a most magical and memorable day for roughly 100 people who would otherwise be alone.

Loneliness, hopelessness, and depression are growing social issues. We choose to set an example in speech, conduct, love, faith, and purity as Jesus tells us in 1 Timothy 4:12.

Won't you consider coming alongside us? We need volunteers as well! We ask those willing to befriend and offer love and care to those in need to contact us.

SPONSORS

One Community Now – Operation Stand Down

We have proudly served our nation’s veterans for the last three years with free notary services at this event. We are Humbled, Honored, and moved by each event and encounter. Whether they need our services or not, we get the opportunity to pour our appreciation and love into these heroes.

This year we spoke with roughly 200 Veterans and even followed up with a few VFWs and Amvets for the opportunity to continue supporting their needs.

Hernando County Fairgrounds Event

Hope in Motion was gracefully welcomed by the Guardian Foundation and MCL 708 OORAH to participate and fundraise at their 4-in-1 event at the Hernando County Fairgrounds. We met many outstanding members of this community as well as Veterans, First Responders, and others who support their work.

Our Amazing Sponsors on Page 2 each donated a basket to raffle off at this event to help fundraise for our Annual Christmas Full of Hope Event. Through the raffles, we could initiate investment into our Christmas event.

A GREAT BIG THANK YOU to these sponsors for making the first step towards a life-changing Christmas for many this year!

Corporate Sponsorships for A Christmas Full of Hope

It is almost time for our Annual Christmas Full of Hope, a life-changing event for many of our elderly, single, and lonely neighbors. Since the pandemic, we have been unable to make this event happen, and we are excited to offer this great event again this year!

Hope in Motion has used the Christmas Full of Hope event to partner with businesses and professionals to make sure the widows, veterans, single parents, and many others alone for Christmas in our community will have a place to celebrate that makes them feel comfortable and cared for. It is a time for people to come together and celebrate the reason for the season, be well fed, meet new friends and family to maintain relationships with, and for everyone to enjoy themselves.

Every year, the Christmas Full of Hope attracts attendees from all over Hernando and Pasco Counties, with over 70 attendees in 2018. We continue to monitor health requirements and improve upon the lessons learned at every event; with your help, we can make this year's event the biggest yet. Christmas Full of Hope is an opportunity for you or your organization to participate in the community, engage with new and old customers, and positively impact the world around us. All we need is your donation to bring this event to life. We pray that you choose to give Hope this Christmas to those in need and partner with a team that cares!
