Where we have been and why...

Hope in Motion has been very active at community markets and festivals to raise funds and connect with others interested in supporting our Christmas Full of Hope event!

Our volunteers create ornaments, key chains, bookmarks, pillows, etc., to sell at these vendor markets and raise funds for Christmas Full of Hope.

We also participated at the Farrell Cares, Inc. Trunk or Treat on October 30th at Safety Town. Over 600 kids were given candy and a contest entry for a 2-hour princess experience from our Encanto Casita!

thank you

Corporate Sponsorships and Donations for A Christmas Full of Hope

Our Annual Christmas Full of Hope, a life-changing event for many of our elderly, single, and lonely neighbors will be on Christmas Eve this year! We have secured the venue but still need more food, donations, and decorations. All donations are tax deductible.

Hope in Motion has used the Christmas Full of Hope event to partner with businesses and individual donors to make sure the widows, veterans, single parents, and many others alone for Christmas in our community will have a place to celebrate that makes them feel comfortable and cared for. It is a time for people to come together and celebrate the reason for the season, be well-fed, meet new friends, grow relationships, and enjoy themselves.

Every year, the Christmas Full of Hope attracts attendees from all over Hernando and Pasco Counties, and are expecting between 100-150 guests this year. Christmas Full of Hope is an opportunity for you or your organization to participate in the community, engage with potential customers, and positively impact the world around us.

Won't you consider helping us? Contact us for more information!

Who knows how far we can drive hope with prayers, partnerships, and donations from others like you!
