

You are our blessing...

Hope in Motion has been so blessed by the many generous donors and businesses throughout Hernando, Pasco, and Pinellas Counties. We were also quite active at community markets and festivals to raise awareness of our mission and raise funds.

Our volunteers created ornaments, key chains, bookmarks, pillows, and more to sell at these vendor markets and raise funds for Christmas Full of Hope.

We would like to publicly thank all of our donors for making our first year such a fantastic success!

Our Mission and Vision

Our mission is to drive HOPE into the lives of those at risk for loneliness and hopelessness.

We value all people regardless of their past and provide basic needs and resources to better their circumstances.

Our vision is to reduce loneliness, hopelessness, depression, and homelessness through acts of kindness and support.

Impact Report

A MESSAGE FROM OUR FOUNDER

2022 was our first full year of operation, and what an overwhelming year it has been! Growing a nonprofit is difficult, especially when the world has shifted through a pandemic and inflation. Despite the condition of our world, our community remains compassionate and generous when it comes to our neighbors in need. We could not be more proud to be surrounded by such amazing impactful people. With the help of our donors, please take a look at the impact that we made!

Homeless Ministry
Love Bags

Backpacks filled with hygiene items, snacks, water, and resource guides.

We spoke with many individuals on the streets and were able to provide immediate needs and resources for continued care.

Holidays of Hope

For our first year we were only able to host Christmas for those who needed food or companionship for the Holiday.

Even with a grueling 40 degree Christmas in Florida, we had 27 people in attendance for Christmas dinner on Christmas Eve and were able to take 70 hot meals to the streets and provide food to those who were hungry.

We Need Your Support!

It truly takes a village to make the impact needed in Pasco and Hernando Counties! We need your help. There are many big and small ways to help that all make a difference.

This year we will spend much time in the community, partnering with other nonprofit organizations, seeking more resources, and offering more assistance to our neighbors in need. As the community needs become greater, our mission must respond.

You can Volunteer!

More hands make the workload lighter. We offer Community Service and Student Volunteer hours as well! We accept volunteers of all ages. Complete the Volunteer application on our website to get started.

You can donate love bag items!

We can always use travel-sized hygiene items for our love bags. We also accept non-perishable snacks, bottled water, seasonal items such as ponchos, hats and gloves, flashlights, and unused socks and undergarments. Soap and toothbrush drives can be fun, and get your friends involved too!
