## Second-Year Goals...

Hope in Motion has continued to be active with community markets and events and other community outreaches to provide Hope to those in need, raise awareness of our mission, and raise funds. We are also actively seeking other mission partners to broaden our reach. We will need more volunteers as we continue to do more in the community.

The expansion of Holidays of Hope is at the forefront of our goals. We are actively seeking community partners and funding to host more holidays for those alone or in need.

We also seek volunteers and accept those needing community service and Bright Futures hours. Volunteer positions include creating items to sell, running love bag drives, and helping at events. A volunteer application on our website can be submitted if you or

someone you know is interested.
