Serve Day at The Chapel Church...

On July 15th, Hope in Motion was abundantly blessed by The Chapel Church in Trinity. More than 25 young adults signed up, showed up, and worked hard to make 360 Love bags!

Being our most remarkable service to the community, we were beyond grateful to The Chapel Church for fully funding the bags and items placed in them! We had the opportunity to provide an informational printout and some essential safety advice to encourage these volunteers to deliver some love bags to our homeless neighbors themselves.

We were even more humbled to see them excited to take love bags and be willing messengers of Hope to others.

We can always use volunteers and accept those needing community service and Bright

Futures hours. Volunteer positions include creating items to sell, delivering

love bags, and helping at events. A volunteer application on our website can be submitted if you or someone you know is interested.

Holiday Lake Estates Civic Association – Back to School Bash!

Holiday Lake Estates Civic Association
(Heart of the Community)

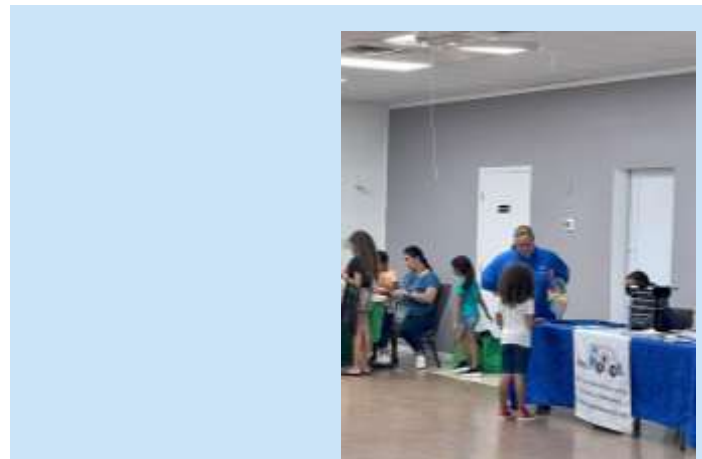

First Annual Back to School Bash!

Hope in Motion was honored to be invited to and able to help children with school supplies this year!

With the help of our amazing donors, we were able to provide over 95 kids with pencil cases filled with supplies as well as letting them spin for an additional notebook, folder, crayons, or pack of pencils and even notarized some school forms for the parents.

We enjoyed teaming up with many community organizations to make this new annual initiative a great success!

We have so many fantastic community events that we will be a part of throughout the year and are constantly growing more community partnerships. Follow us on Facebook, visit our website, and subscribe to our quarterly newsletter to see how we spread Hope throughout the County!

We would love to meet you! Come out and visit us at one of our events. Please get to know us and our passion for those in need of Hope, happiness, and care. Maybe you may want to join us!
