

A Proud Milestone

JOFC Detroit Receives Official Juventus Certificate for 2026/2027

We're proud to share our official certificate from Juventus, recognizing Detroit as a Juventus Official Fan Club for the 2026/2027 season!

As we begin our first season, seeing Detroit's name on this certificate is a special moment for our club. It represents the passion, dedication, and support of every member who has helped make JOFC Detroit possible.

From a Vision to a Community

JOFC Detroit started with a vision: to bring local Juventini together and create a place where we could share our love for the Bianconeri. That vision has grown into a community we're proud to call our own.

From gathering at watch parties to celebrating goals and welcoming new members, we're building connections that go beyond the matches. Every person who joins us helps shape what this club is becoming.

A Milestone We Share

Thank you to every member who joined, supported, and believed in JOFC Detroit. Your enthusiasm and commitment have helped turn an idea into an official fan club representing our city within the Juventus family.

This certificate is something we can all take pride in. It marks the beginning of our journey, and we look forward to making more memories together throughout our inaugural season and beyond.

From Turin to Detroit, United by Passion.

Fino Alla Fine! ●○
