*Includes installation and a 2-year installation warranty provided by Sun-Brite. Products are subject to manufacturer's warranties. Sun-Brite reserves the right to change manufacturers and products should the chosen materials and stock become unavailable with those of the same or greater value.

All finishes and materials have been selected by the Vendor. No substitutions or changes by the Purchaser are permitted. The Purchaser acknowledges the same terms in their executed Agreement of Purchaser and Sale (APS), including, without limitation, the terms in paragraphs 15 and 16. All provisions, substitutions and limitations are governed by the APS. The content contained above in this form is for marketing purposes only. Without in any way limiting the generality of the foregoing, all selections are from Vendor's samples, unless otherwise noted and subject to availability from the supplies at the time of order. Purchaser acknowledges and accepts variations with manufactured finished materials, including in colour, texture, shading and grain. No credit shall be provided for deletion of any item of finishing requested by the Purchaser. The Vendor reserves the right to substitute materials used in construction and finishing of the unit without notice provided that substituted materials are of comparable quality.
