

RStrategyU
Online PsyCap Self-Reflection Assessment
Terms & Conditions
Effective Date: August 13, 2024

Welcome to the Psychological Capital (PsyCap) Self-Reflection Assessment by Richardson Strategy Unlimited (RSU). Before you proceed, please carefully read the following Terms & Conditions, which govern your participation in this online assessment. By proceeding with the assessment, you acknowledge that you have read, understood, and agree to be bound by these terms.

1. Purpose of the Exercise:

This PsyCap Assessment is designed to measure your Psychological Capital across various dimensions. This exercise is part of a broader research initiative by RSU to analyze levels of PsyCap among diverse populations and use this data to develop content, programs, and publications related to Psychological Capital.

2. Use of Your Data

- **Research and Analysis:** The data collected from your responses will be used to analyze trends in Psychological Capital among different demographic groups. The findings may be used in RSU's internal research, future publications, or to enhance our programs.
- **Anonymity:** All individual responses will be kept strictly anonymous and confidential. We will not share or sell your personal information to any third parties. The results will be aggregated and anonymized for reporting purposes.
- **Book Publication:** The aggregated findings may also be used in a book or other publications authored by RSU, where we explore and discuss Psychological Capital and related topics.
- **Engagement and Marketing:** Upon completing the assessment, you may receive a follow-up email inviting you to subscribe to our blog or to participate in our courses or programs. Participation in these follow-up communications is entirely voluntary.

3. Data Privacy and Security:

RSU is committed to ensuring the privacy and security of your data. We employ industry-standard measures to protect your information from unauthorized access or disclosure.

4. Subscription and Marketing Communications:

By participating in this assessment, you agree to receive an email with your assessment results. Additionally, you may be invited to subscribe to our blog or receive marketing communications about our courses and programs. You may opt out of these communications at any time.

5. Non-Scientific Nature of the Assessment:

Please note that this assessment is not a scientifically validated tool and should not be considered as professional psychological advice, diagnosis, or treatment. It is designed to provide insight and engage participants in discussions around Psychological Capital.
