Chairman's Message

Dear Stakeholders,

At Rushabh Foundation, we are dedicated to education, sports, health, and environmental sustainability, aligning our efforts with the Sustainable Development Goals (SDGs). Our mission is driven by transparency, accountability, and collaboration to create real, lasting impact.

Through our initiatives, we empower students with education, promote sports for holistic growth, enhance healthcare access, and drive environmental conservation. Projects like check dam construction and sustainable menstrual hygiene programs contribute to long-term community well-being

Sustainable change is a collective effort. With the support of our partners, donors, and volunteers, we continue to uplift communities and build a better, more equitable future

Thank you for being part of this journey

Warm Regards,

Mahendra Vanigota

SDG 13: Climate Action

- Tree plantation drives, waste management programs, and environmental awareness campaigns to promote a greener future.

Quality Education

Initiatives Bridging Education Gaps

1. Offline Digital Classroom:

- Bridging the Learning Gap

Rushabh Foundation's Offline Digital Classroom initiative is transforming education in tribal ZP schools by providing technology-driven learning without internet dependency. Equipped with preloaded state board-licensed animated content and interactive tools, these classrooms help students grasp concepts effectively while addressing the teacher shortage.

With 55+ digital classrooms established, thousands of underprivileged students now have access to engaging, high-quality education, even in remote areas. This initiative also supports teachers, enhancing lesson delivery, student engagement, and learning outcomes.

2. Sports Promotion:

-Building Strength, Teamwork & Confidence:

Rushabh Foundation's **Sports Promotion Initiative** in **67+ ZP schools** is fostering **physical fitness, teamwork, and confidence** among tribal students. By providing **sports kits, organizing training camps, and introducing structured football programs,** we have engaged **10,000+students in active and disciplined participation**. These efforts not only enhance **physical well-being** but also instill **team spirit, leadership skills, and perseverance**, encouraging students to stay motivated, excel in academics, and develop a sense of achievement.

3. Toy Libraries:-Making Learning Fun & Engaging

Rushabh Foundation has established 17+ Toy Libraries in primary Z P schools, creating a fun and interactive learning environment that encourages school attendance and engagement. These libraries provide educational toys, puzzles, and creative activities that make learning more enjoyable and stimulating for young students. By integrating play with education, this initiative helps improve cognitive skills, problem-solving abilities, and classroom participation, ensuring that children develop a lifelong love for learning while reducing absenteeism.

4. Career Guidance & Scholarships: Building Futures

Rushabh Foundation is committed to empowering underprivileged students by providing career guidance and scholarships, ensuring they can pursue higher education and meaningful careers. Through structured counseling programs, students explore various career opportunities and skill development pathways, enabling them to make informed decisions about their future.

Additionally, scholarships covering tuition and essential educational expenses help deserving students continue their education without financial barriers. So far, 400+ students have benefited from career counseling and skill development, while 45+ students have received scholarships, including one pursuing MBBS. By bridging the gap between aspiration and opportunity, we are shaping a brighter future for the next generation.

AI-based Screenings

Early detection of breast cancer & diabetic Retinopathy using Al technology.

1. Nourish the Tribe: Fighting Malnutrition, One Meal at a Time

Rushabh Foundation's **Nourish the Tribe** initiative provides **nutritious morning meals** to **tribal school children**, ensuring they start their day with the **energy and focus needed for learning and growth**. Many children in these underserved communities face **severe malnutrition**, affecting their **health**, **concentration**, and **school attendance**.

By delivering fresh, home-cooked, high-nutrition meals along with fruits, juices, and homemade dry-fruit milkshakes in the first hour of school, this initiative has benefited 600+ tribal children, improving their physical well-being, cognitive development, and academic performance. It has not only reduced hunger-related absenteeism but also created a healthier, more engaged learning environment, giving children a strong foundation for a brighter future.

2. Al-Based Screening: Early Detection for Better Health

Rushabh Foundation leverages cutting-edge AI technology to provide early detection of breast cancer and diabetic retinopathy, ensuring timely medical intervention for underserved communities. Using radiation-free, pain-free AI-based breast cancer screening, we empower women with a safe, non-invasive, and accessible diagnostic tool for early detection, increasing survival rates.

Similarly, our Al-driven diabetic retinopathy screening enables early identification of vision-threatening complications, preventing avoidable blindness among diabetic patients. By integrating advanced Al solutions into community healthcare, we are breaking barriers to early diagnosis, improving health outcomes, and ensuring life-saving interventions reach those who need them most.

3. Vision for Tomorrow: Restoring Sight, Transforming Lives

Rushabh Foundation's Vision for Tomorrow initiative provides free eye check-ups, spectacles, and corrective surgeries to underserved communities, ensuring better eye health and improved quality of life. Many individuals, especially in tribal and rural areas, suffer from undiagnosed vision problems, affecting their education, work, and daily activities.

Through regular screening camps, we identify refractive errors, cataracts, and other eye conditions, providing free spectacles and facilitating corrective surgeries for those in need. By restoring clear vision, we empower children to excel in school, adults to enhance productivity, and elderly individuals to regain independence, making a lasting impact on countless lives.

4. Empowering Women Through Menstrual Health Awareness

Rushabh Foundation is committed to breaking taboos, promoting menstrual health awareness, and ensuring access to safe hygiene practices for underprivileged women and girls. Through interactive workshops and community sessions, we educate adolescent girls about menstrual hygiene, safe practices, and reproductive health, helping them overcome stigma and misconceptions.

Additionally, we **distribute free sanitary pads** to schoolgirls, ensuring they can **manage their periods safely and with dignity**. By addressing **menstrual health challenges**, we not only improve **hygiene and well-being** but also help reduce **school absenteeism**, enabling young girls to **continue their education confidently**.

5. Free Dental health check up & Treatment

Clean Water, Climate Action & Economic growth

Environmental Sustainability Efforts

Environmental Sustainability Initiatives

Rushabh Foundation is dedicated to fostering environmental sustainability through comprehensive initiatives in **tree** plantation, waste management, and water conservation. Our large-scale tree plantation drives have led to the planting of hundreds of saplings in tribal areas, enhancing green cover, improving air quality, and mitigating soil erosion.

In collaboration with gram panchayats, our waste management programs focus on promoting waste segregation, recycling, and composting in schools and communities, reducing landfill waste and fostering a cleaner environment.

Additionally, our water conservation efforts—including the construction and renovation of check dams, pond deepening, and rejuvenation projects—have significantly improved groundwater levels, benefiting farmers, livestock, and local ecosystems. These initiatives collectively contribute to a healthier, more sustainable future, ensuring long-term environmental and community resilience.

- Expand the 'Green Periods' Initiative to empower 100+ women.

Community Empowerment:

- Strengthen skill development programs for tribal youth.
- Promote local art and culture through community engagement.

Challenges Faced

While we celebrate our achievements, we also acknowledge the **challenges** we encountered along the way:

1. Resource Constraints:

 Limited funding and resources posed challenges in scaling up our initiatives to reach more communities.

2. Cultural Sensitivity:

 Adapting programs to align with local cultural practices required continuous efforts to build trust and understanding.

3. Trust Issues in Tribal Communities:

 Gaining the trust of tribal communities, who are often hesitant to accept external interventions, was a significant hurdle.

4. Superstitions and Taboos:

 Traditional beliefs and superstitions, especially around health initiatives like menstrual hygiene, created barriers to acceptance.

5. Monitoring and Evaluation:

 Ensuring consistent and rigorous monitoring of programs in remote areas required significant effort and resources.

Our Commitment to the Future

Despite these challenges, Rushabh Foundation remains **steadfast in its commitment** to creating a **brighter**, **healthier**, **and more equitable future** for all. We are determined to

.

- Expand our reach to 25,000+ students through 100+ digital classrooms.
- Scale up health and nutrition programs to benefit 10,000+ individuals.
- Strengthen community engagement and sustainable development initiatives.

We recognize that **sustainable change** is a collective effort, and we are deeply grateful to our **partners**, **donors**, **and dedicated team members** for their unwavering support. Together, we can continue to drive **positive change** and empower communities to thrive.

A Journey of Transformation

Rushabh Foundation's initiatives have created a **profound and lasting impact** in the lives of underprivileged communities. By addressing the **root causes of educational and health disparities,** we are laying the groundwork for **long-term success, empowerment, and sustainable development**. Our work has not only transformed individual lives but also strengthened entire communities, fostering a sense of **hope, dignity, and resilience**.

As we reflect on our achievements, we remain **steadfast in our commitment** to creating a **brighter**, **healthier**, **and more equitable future** for all. Together, we can continue to drive **positive change**, empower communities, and build a world where everyone has the opportunity to thrive.

A Final Note

The journey of Rushabh Foundation is a powerful testament to the strength of collective action. Every step forward has been made possible through the unwavering support of our partners, donors, and dedicated team members. As we look ahead, we are inspired by the resilience and determination of the communities we serve.

With your continued support, we can build a future where **every individual** 'regardless of their circumstances' has the opportunity to lead a life of **dignity**, **purpose**, **and fulfillment**.

Thank you for being an integral part of this **transformative journey**. Together, we are creating a legacy of **hope**, **empowerment**, **and sustainable change**.
