INTRODUCTION TO CONTENTS

This book is offered as a 'bonus book' to 1981 and 1982 members of the McConnaughey Society and a limited number will be retained for sale to future members. We aimed to include all the McConnaugheys (and variant spellings) in the 1900 census. Since much of the work was done in Salt Lake City from the Soundex records, we soon found that we were missing many. A second search was made and most of the M250 and M252 records should be included herewith; however, we know they are not 100% complete and omissions have occurred in spite of our two searches. If you have records of some of the missing names, please let us know and we will try to have them included in a later bulletin or supplement.

The McConnaughey Society was founded in 1961; has has annual Gatherings the 2nd Sat. in August in Indianapolis, IN since 1976; and maintains an active membership of 100-150 members. We work together to compile and preserve records of, for, by, and about McConnaugheys. We have an annual publication of 88-92 pages (since 1971), have published several 'bonus' books for members, and have a monthly newsletter of 2-4 pages. For further information contact: Pat McConnaughay Gregory, P. O. Box 27051, Indpls., IN 46227-0051; phone 317-786-4363.
