## *Generation No. 1*

1. JAMES W<sup>1</sup> MCCONAUGHEY was born in Ireland. He married MARY ELIZABETH RANKIN. She was born in Scotland.

Notes for JAMES W MCCONAUGHEY:

James was an Irishman who lived in Grange, Milltown, about 20 miles from Belfast in the province of Ulster, in Northern Ireland. He owned a flour mill in this area. The mill was later destroyed by fire. We (Tom and Carol McConaughey) visited the site of the mill in 1976. The present owners of the land on which the mill was located told us about the fire.

Child of JAMES MCCONAUGHEY and MARY RANKIN is:

2. i. JOHN WILLIAM<sup>2</sup> MCCONAUGHEY, b. 18 Nov 1819, Grange, Milltown, Antrim, Prov. of Ulster, Northern Ireland; d. 26 Mar 1904, Maiden Rock, Pierce County, Wisconsin.

## *Generation No. 2*

2. JOHN WILLIAM<sup>2</sup> MCCONAUGHEY (*JAMES W<sup>1</sup>*) was born 18 Nov 1819 in Grange, Milltown, Antrim, Prov. of Ulster, Northern Ireland, and died 26 Mar 1904 in Maiden Rock, Pierce County, Wisconsin. He married MARY ANN MEALEY 10 Apr 1856 in Woodstock, Canada, daughter of ROBERT MEALEY and MARY NIXON. She was born 11 May 1839 in Sligo, Ireland, and died 19 Aug 1910 in Maiden Rock, Pierce County, Wisconsin.

Notes for JOHN WILLIAM MCCONAUGHEY:

The following was taken from a letter written to John Donald McConaughey (Born 1913) from his Aunt "Mat" Martha McConaughey Frye (Born 1863), January 7, 1939. " Your great grandfather owned a flour mill in Grange Milltown, Northern Ireland, 20 miles from Belfast. Your grandfather was one of the sons who was raised in Grange Milltown and worked and learned the milling business. He remained at home and worked with his father until he was about 25 years old. He came to Chatham, Canada and staid for some time with his Uncles, John and James Rankin, his mother's brothers. Some years later he came to Ingersol, Canada and worked in different mills in that locality. He met and married your grandmother while at Ingersol. Your grandmother, Mary Ann Mealey, was also born in Ireland, but down in Southern Ireland at of near Sligo. She was the daughter of Robert Mealey and Ann (Nixon) Mealey. She came to Canada when a child and did not remember anything about her birth place. She was married when only seventeen and lived in the vicinity of Ingersol for about 5 years, when your grandfather was offered a position in Leavenworth, Kansas. At that time they had 2 children Mary and Robert James. While on the journey to Kansas, Robert James became sick and did not live long after they reached Leavonworth. Kansas was in a terrible turmoil at that time, the breaking out of the Civil War. A daughter Margaret Jane "Jennie" was born while they were in Kansas. I don't know how long they were there, but not long, as I was born in Canada two years after Jennie. The remained in the Ingersol neighborhood for 6 or 7 years, or until after Marion "Alice" was born in 1865. In the meantime, your great grandfather had moved to Wisconsin and were always writing for your grandfather to come . He finally did, but left his family in Canada till he would see if he liked the county. He was only a short time in Wisconsin when he became seriously ill and sent for your grandmother to come at once. She disposed of things as best she could and set out with four little girls to a new country and a sick husband with not much money. That took courage. When she reached Wisconsin, she found your grandfather better. He soon was able to work and found a mill at Frontinac, Minnesota and went to work there for a while. His health began to fail him because of dust in the mills and whiskey. They decided to try farming and bought the 80 acres which afterword belonged to your father. Before they went to live on the farm , they moved to Elpaso, Wisconsin and your father John was born there in December. In March they moved to the farm on which they lived until the family was broken up by death and marriage. Jennie was married, then I was, and then your Aunt Mary died. But before your grandfather tried farming he worked at Lake City in the flour mill at different times, but had to give up the milling work altogether as he could not stand the dust. He was not much of a farmer and was not much help for a good many years. It was up hill business for a woman to raise a family on a farm in those days. She managed some how to keep her head above water until your father and Robert were able to take hold of things. As I have heard in family gossip,

your great grandfather was a proud and arrogant person. Made plenty of money and spent it just as plentifully. I can remember some of his clothes, A high silk hat (stove pipe), bright satin vest, cane and other trimmings. He would not go any place if his clothes did not suit him. He was an Orange Man, a lodge he had joined while a young man. So was grandfather Mealey.

Notes for MARY ANN MEALEY:

The following is taken from her obituary, which was printed in the local paper. " A Noble life is Ended. Mary Ann Mealey came to Canada from Ireland with her parents at the age of seven years. She resided in Canada until her marriage to John McConaughy in 1856. To this union were born seven children. When they came to Wisconsin in 1867, they settled on a farm in Maiden Rock. They lived on this farm until 1908. After her husband's death in March 1904, she kept house for her sons, John and Robert, who had never left the home place. Before her death in 1910, she was taken ill of stomach trouble and this combined with old age and general ill health hastened the end and she passed peacefully away. She was widely known and universally loved by a large circle of friends. Too much can not be said of this noble Christian woman whose life has been a blessing to all with whom she has come in contact. " This seems a wonderful tribute to a wife and mother who lived a wonderful life. In other information which has survived through the times, the following was written. " Mary Ann was exceedingly fond of reading, especially history. She was also fond of needlework. She was very thrifty. In early times she assisted in the care of sick neighbors very frequently. She was unusually fearless, and very tiny." At the time of her death she was 73 years of age.

He was very honest and generous.

One morning on their farm in Maiden Rock, in about 1915, Rob went to the barn to milk some cows and found a man sleeping in one of the empty horse stalls. He had a satchel with a brace of revolvers laying on top of it, and was dressed in a long black duster. Rob told him he would do chores and would wake him when breakfast was ready. Rob went to tell Effie (his wife) to set an extra plate. After the stranger left, Effie found a \$5.00 gold piece under his plate.

At the age of 71, Rob was diagnosed with colon cancer. He had a colostomy and lived another 10 years. Rob died at age 81,

Notes for THOMAS GERALD MCCONAUGHEY:

Thomas was born in a county home near New Richmond, Wisconsin. For the story of his birth, see the notes on his sister Dorothy. At the time of his birth his father was 63 and his mother was 39. When he was 5 months old, the family moved to and purchased a farm near Houlton, Wisconsin in 1934. This farm was purchased from Nelson and Catherine Hughes. In September of 2008 Carol McConaughey struck up a conversation with a woman at a Senior Picnic in Roberts, WI. The woman recognized the name McConaughey and after a bit of conversation it was discovered that the woman Carol was talking to was Ethel Frawley Mclaughlin, the granddaughter of Nelson and Catherine Hughes. She said she was at the farm many times. Another of life's coincidences!!! After graduating from high school in Stillwater, MN, Tom went to work for Hooley's Grocery, also in Stillwater. He was married to Carol ann Rulien in 1956, and in 1957 he purchased the farm from his mother. Tom later worked various times for the St. Croix County Sheriff's Department, the St. Croix River Water Patrol and was Chief of Police in Somerset, WI. During this same time he also worked at Andersen Window Corporation, Bayport, MN. Tom retired from Andersen's in December 1993, after 41 years. He was a plant superintendent at the time of his retirement. Tom has been an avid horseman his whole life. He currently has 14 horses (2004) and loves to take a ride on his favorite horse, Dusty. Tom is also an avid hunter and fisherman. He has hunted and fished in many states including Alaska and also in Canada.

Tom was diagnosed with colon cancer (April 2005) and had a portion of his colon removed. He spent 22 days in the hospital after this surgery. The cancer later went to his lung and he had major lung surgery at Fairview Hospital at the U of M. He was given 12 chemo treatments (June thru December 2005) and an additional 14 more before his death on May 4, 2007. He died at his home in the care of his wife and 4 children. We miss this wonderful man's kindness, even temper, fairness, loving ways and sense of humor.

He was one of the nicest men I've ever known.
