INTRODUCTION

The McConachy Family Tree has been created as a vertical chart. The lines on the left side of each page represent the generations. The relevant ancestors are listed at the top of each page. The names of children all touch the line coming directly from the name of their McConachy parent. Women are indexed under their maiden/family name only. Where maiden/family names are not known, married names are used and these entries are indicated thus *. Where two or more people have the same name, the year of birth is given. If further identification is required, the line from which they come is indicated, such as (*J*) for John.

John McConachy born 1815 was the same age as his eldest brothers first son.

John (*TS*) was the son of Thomas McConachy senior and the other John (*TB*) was the son of Thomas McConachy junior (*our Thomas*). The two John McConachys were brought up together in Claudy.

In 1838, 23 year old John McConachy (*TB*) went to America to seek a new life. In 1841 he returned to marry his sweetheart Jane Connell and then returned to West New Jersey in America.

In 1838, 23 year old John McConachy (*TS*) married Jane McGuinness and three years later in 1841, he sailed for Australia to make his new life.

The two John McConachys never met again but, in 1994 contact was made with the descendants of the American John McConachy. The Rev Wiilliam McCombe had kept in contact with the American family and the known descendants of John McConachy in America are set out below.

We would like to continue recording the McConachy Family Tree and it would be appreciated if you would make a note in your diary each year to email or post to us an update of your section of the family.

David Craig McConachy c 1813-1900 was another son of Thomas and Margaret McConachy senior. In 1841 his brother Thomas went to Australia and his brother John went to America. He also went to America with his brother John and then joined the navy and became a sea captain.

His death notice said he had been around the world many times.

The family did not hear from him for 25 years and he never married and had no descendants.

He died c.1900.
