GEM TREES

Available in different gemstones

Our handmade Gemtrees made of crystals are highly popular among customers of Gemstones Birgu. These trees are designed in the likeness of the ancient Tree of Life archetype, which has been revered as a powerful symbol in various religions, cultures, philosophies, and traditions throughout history. They are also known as Crystal Bonsai Trees or Feng Shui Trees.

Our Gemtrees come with carefully selected stones that are intended to assist you in manifesting your desires for yourself or someone special.
